Important Information

- ✓ Flat Rate Repair prices shown in Canadian Dollars (CAD); include parts & labor, 90-day warranty on repair, Shipping & Handling
- ✓ All other subscriber units are subject to Time & Material repair at our current hourly rate plus parts (where available). Please call and ask for pricing or supported models before shipping them to us.
- ✓ Mobile radio units are subject to evaluation fees to both control head and transceiver body if sent in

Flat Rate Pricing

- ✓ Applies only to subscriber unit repair that have become defective through normal wear and usage.
- ✓ Does not include repair due to one or more of the following: improper use or storage, tampering, multiple defects, operator induced defects, physical/water damage, missing parts, or replacement of batteries, antennae, consumables or other accessories. Repairs due to the above will be performed on a Time & Material basis
- ✓ Expedited Two Day Turnaround is available for an additional charge of \$175.00. Expedited Repair DOES NOT include transportation time and Expedited Repair MUST be requested prior to the issuance of the Return Material Authorization number

Accessories

- ✓ We do not repair accessories. Accessories consist of microphones, lanyards, antennas, batteries, mounting brackets, cabling, PA fans, filter assemblies, battery chargers, speaker microphones, HHC, etc.
- ✓ Harris Canada Systems, Inc. is not responsible for lost accessories.

Infrastructure Equipment

- ✓ Infrastructure repairs are based on time & material. Flat rates DO NOT apply
