- **Do not return any items until receipt of your Pre-Approved Packing List.**
- **Enclose a copy of this form in each crate of equipment returned for repair.**
- **DO NOT INCLUDE ACCESSORIES WITH ITEMS FOR REPAIR.** This includes microphones, lanyards, antennas, batteries, mounting brackets, cabling, fans on PA's, filter assemblies, chargers, speaker microphones, etc. L3HARRIS is not responsible for lost accessories.
- **IF WARRANTY STATUS IS DETERMINED TO BE INVALID, an estimate will be provided when the evaluation determines that: 1) the unit is beyond repair; 2) repair charge is greater than the reasonable expectation for that unit; or 3) repair charge exceeds the flat rate. If estimate is declined, an evaluation fee will be assessed. The evaluation fee and/or the non-flat rate repair charge will vary depending upon equipment type. Go to <https://www.harris.com/solution/pspc-customer-service> for a Depot Repair Flat Rate list.**
- **FLAT RATE REPAIR ESTIMATES include a 90-day warranty and are based upon reported defects at RMA issuance. A single flat rate quote covers a single condition. Upon unit receipt and evaluation, newly discovered repair requirements will be quoted prior to repair. Go to <https://www.harris.com/solution/pspc-customer-service> for a Depot Repair Flat Rate list.**
- **When requesting status updates, please have the RMA number available. Maintain a copy of this form for your records.**
- **All prices and products are subject to change without notice.**

International Repair/Warranty Replacement Request Instructions

These instructions detail the information needed to complete the International Repair/Warranty Replacement Request. Please complete all blanks, except those marked as **L3HARRIS Office Use Only**.

These instructions detail the information needed to complete the Repair & Return Request form. Please complete all blanks.

- **DATE:** Date of Customer Request.
- **CALLER/CONTACT:** Person to be contacted if L3HARRIS has any questions of the Customer.
- **PHONE #:** Number where CONTACT person may be reached during normal business hours.
- **FAX #:** Number where CONTACT person may be faxed.
- **E-MAIL ADDRESS:** Address where CONTACT person may be E-mailed.
- **CUSTOMER or L3HARRIS REFERENCE #:** Reference number assigned by the customer to assist in tracking original order number.
- **SPECIFIC CUSTOMER REQUIREMENTS** Modified per, incorporated EN or AN, or any other necessary information.
- **SHIP COMPLETE:** Do you want all items shipped back in one shipment once repaired?
- **TECHNICIAN CONTACT NAME:** Name of technician that the Repair Center can talk to regarding technical faults.
- **WARRANTY** If you, the customer, believes these repairs to be warranty, put **Yes** in the blank. If you, the customer, knows that the warranty has expired put **No** in the blank. **L3HARRIS will make final determination of Warranty Status.**
- **QTY:** Number of units being requested on this line item.
- **L3HARRIS PART # or MODEL #:** Part number of device being requested. Example: 19D904797G5
- **DESCRIPTION:** Name of requested line item. Example: Power Amplifier
- **SERIAL NUMBERS:** List serial numbers of all items where applicable.
- **CUSTOMER COMPLAINT/ MALFUNCTION** Detailed description of what is wrong with each unit.
- **RUSH SERVICE** Check this box if two day expedited service is requested. The two day repair does not apply to shipping.
- **SHIP TO/BILL TO ADDRESS:** Both Addresses must be filled in, even if the request is a Warranty or Post Warranty service. This will enable L3HARRIS to properly track Repairs and Replacements.
- **WHEN SHIPPING BATTERIES** [US DOT Regulation 49CFR173.21\(c\)](#) - **CUSTOMER HAZARDOUS MATERIAL RETURN SHIPMENT LIABILITY**: U.S. domestic batteries being returned by ground or air must adhere to Federal Department of Transportation regulation 49 CFR 173.21(c); reference above link for detail. For additional packaging guidance, call the **DANGEROUS GOODS HOTLINE** 1-800-GO-FEDEX ext. 81 or the **USDOT HAZMAT Help Line** 1-800-467-4922 ext. 1. **Ground shipments require advice from the dangerous goods hotlines provided. In order to ship via air, the facility must be certified in accordance with Transportation Regulations for**
