

# HANGAR DOORS

## Customized Hangar Doors for Naval Vessels

L3Harris is an industry leader in the designing and manufacturing of customized marine doors for shipborne applications.

### A WIDE RANGE OF SOLUTIONS

Since 2007, L3Harris has worked with navies and shipyards around the globe, providing many types of marine doors. Our hangar doors can be customized according to a ship's specifications, operating environment and mission requirements in order to provide the highest level of functionality to our clients.

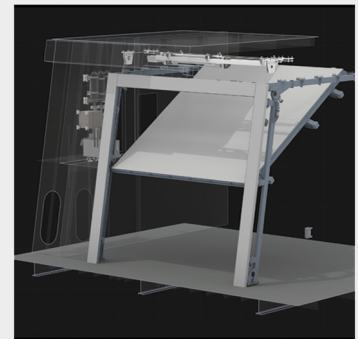

L3Harris provides many types of marine doors in different configurations, including:

- > Helicopter hangar doors
- > Transom Doors
- > Garage Doors
- > Provision Doors
