L3Harris is proud to be Lockheed Martin’s top five supplier for the F-35 aircraft.

- Over 1,600 commons components delivered to each F-35
- Proven ability to increase production capacity 4x since program start
- 3 OPEN SYSTEMS UPGRDES FOR TECH REFRESH 3 (TR3) – Panoramic Cockpit Display (PCD), Electronic Unit (EU), Advanced Memory System (AMS) and Integrated Core Processor (ICP)
- L3Harris F-35 common components are projected to deliver a lifetime savings over $800M
- TR3 ICP delivers 25x computing power over the legacy system
- The TR3 PCD EU delivers 4x faster processing speed over the legacy system

L3Harris is a top 5 supplier to Lockheed Martin and was awarded Supplier of the Year by Lockheed Martin.
