Seller expressly represents that in accepting this Order it does not rely and has not relied upon any written or oral representation, warranty, or statement not set forth in the Order and that it will not have any right or remedy rising out of any representation, warranty, or other statement not expressly set out in this Order. The clauses of this Order shall be construed and interpreted as consistent whenever possible. Any conflicts in this Order shall be resolved by giving precedence in the following order:

- (a) the Purchase Order;
- (b) these Terms and Conditions (which are incorporated by reference in any Purchase Order issued hereunder);
- (c) the Statement of Work; and
- (d) Specifications, drawings or other requirements attached hereto or incorporated by reference.

3. ALLOWABLE COST AND PAYMENT:

(a) Payments. Unless otherwise provided, terms of payment shall be net sixty (60) days from Buyer’s receipt of Seller’s proper invoice. Each payment made shall be subject to reduction to the extent of amounts which are found by Buyer, Buyer’s Customer, or Seller not to have been properly payable. (b) Total cost. Buyer shall not be obligated to pay Seller for amounts in excess of the funded value of this Order as set forth on the face of the Order or any duly authorized modifications. If at any time Seller has reason to believe that the costs that will accrue in performing this Order in the next succeeding sixty (60) days, if added to all other payments and costs previously accrued, will exceed seventy-five percent (75%) of the Funded Value of the Order, Seller shall immediately notify Buyer to that effect and shall provide a current estimate for completion. If the estimate is greater than the Funded Value, the estimate for completion shall contain the costs to date, estimate to completion and total together with supporting reasons and documentation. Seller is not authorized to incur costs in excess of the Funded Value of this Order until Buyer notifies Seller in writing that the Funded Value has been increased. If after Seller’s notification additional funds are not allotted to the Funded Value of this Order within sixty (60) days, Buyer may terminate this Order in accordance with the provisions of the Terminations clause of this Order. If Seller estimates that the funds available will allow it to continue to discharge its obligations beyond that date, it may specify a later date in a request, and Buyer may terminate this Order on that later date.

(c) No subcontract placed under this Order shall provide for payment on a cost-plus-a-percentage-of-cost basis, and any fee payable under cost-reimbursement subcontracts shall not exceed the fee limitations in paragraph 15.404-4(c)(4)(i) of the FAR.

4. FEE: If applicable, Buyer shall pay Seller for performing this Order the fee as specified in the Order.

5. ARTICLE HEADINGS: The headings and subheadings of Articles contained herein are used for convenience and ease of reference and do not limit the scope or intent of the Article.

6. ASSIGNMENT, SUBCONTRACTING, ORGANIZATIONAL CHANGE:

(a) Neither this Agreement nor any interest herein nor claim hereunder may be transferred, novated, assigned, or delegated by Seller; nor may all or substantially all of this Agreement be further subcontracted by Seller without the prior written consent of Buyer. Lack of consent shall not be deemed as a waiver or otherwise relieve Seller of its obligations to comply fully with the requirements hereof.

(b) Notwithstanding the above, Seller may, without Buyer’s consent, assign moneys due or to become due hereunder provided Buyer continues to have the right to exercise any and all of its rights hereunder, settle any and all claims arising out of, and enter into amendments to the Agreement without notice to or consent of the assignee. Buyer shall be given prompt notice of any assignment. Amounts so assigned shall continue to be subject to any of Buyer’s rights to set-off or recoupment under this Agreement or at law.

(c) Buyer may assign this Agreement to any successor in interest.

(d) Seller shall promptly notify Buyer in writing of any organizational changes made by Seller, including name or ownership changes, mergers or acquisitions.

Seller shall keep reasonably detailed records of all costs of the performance of this Order for a period of no less than four (4) years from the date of final payment or termination of any warranty or Item support under this Order, whichever is later. Seller shall provide Buyer, Buyer’s Customer, and regulatory authorities access to all facilities involved in the Order and to all applicable records.

8. BANKRUPTCY: If Seller enters into proceedings relating to bankruptcy, whether voluntary or involuntary, Seller shall furnish by certified mail written notification of the bankruptcy to Buyer. This notification shall include the date on which the bankruptcy petition was filed and the identity of the court where the bankruptcy petition was filed. In the event of Seller's bankruptcy, Buyer may require Seller to post such financial assurance, as Buyer, in its sole discretion, deems necessary. Failure to post such financial assurance upon ten (10) days written notice shall constitute a default under this Agreement. The rights and remedies of Buyer in this clause are in addition to any other rights and remedies provided by law or under this Order.

9. BUYER'S RIGHT TO USE INFORMATION DISCLOSED BY SELLER: Unless otherwise expressly set forth in this Order or a separate written agreement, Buyer shall have the right to use, for any purpose, information concerning Seller's items, manufacturing methods or processes which Seller has disclosed to Buyer prior to or during the performance of this Order. In the event of a conflict between the terms of this Article and the terms and conditions of any separately executed and applicable Non-Disclosure Agreement between Buyer and Seller, the terms and conditions of the Non-Disclosure Agreement shall control.

10. APPLICABLE LAW AND DISPUTES:

(a) This Order, irrespective of the place of performance, shall be governed by, subject to, and construed in accordance with the laws of the State of Florida, excluding its choice of law rules, except that any provision in this Agreement that is (i) incorporated in full text or by reference from the Federal Acquisition Regulations (FAR); (ii) incorporated in full text or by reference from any agency regulation that implements or supplements the FAR or; (iii) that is substantially based on any such agency regulation or FAR provision, shall be construed and interpreted according to the federal common law of government contracts as enunciated and applied by federal judicial bodies, boards of contracts appeals, and quasi-judicial agencies of the federal Government.

(b) Any disputes under this Order that are not disposed of by mutual agreement of the Parties may be decided by recourse to an action at law or in equity. Until final resolution of any dispute hereunder, Seller shall diligently proceed with performance of this Order as directed by Buyer. Buyer and Seller shall each bear its own costs of processing any dispute hereunder. In no event shall the Seller acquire any direct claim or direct course of action against the United States Government.

(c) Seller consents to personal jurisdiction in the state of Florida and any litigation under this Order must be brought exclusively in a court of competent jurisdiction in the state of Florida, without regard to conflicts of law principles. The Parties hereby mutually agree to waive their respective rights to trial by jury. The rights and remedies herein reserved to Buyer shall be cumulative and additional to any other or further rights and remedies provided in law or equity. Subject to any specific clauses in this Order, Seller shall be liable for any damages incurred by Buyer as a result of Seller's failure to perform its obligations in the manner required by this Order.

(d) The Parties specifically disclaim application to this Order of the United Nations Convention on Contracts for the International Sale of Goods.

(e) Any decision of the Contracting Officer under the prime contract which binds Buyer shall bind both Buyer and Seller to the extent that it relates to this Agreement –provided that:

- (1) The Buyer notifies with reasonable promptness the Seller of such decision;
- (2) The Buyer, at its sole discretion, authorizes in writing the Seller to appeal in the name of the Buyer such decision at its own expense; or
- (3) If Buyer should appeal such decision, Buyer at its sole discretion offers to the Seller the opportunity at its own expense to join Buyer in such appeal.
- (4) Any decision upon such appeal, when final, shall be binding upon the Seller.

(5) The Seller shall keep Buyer informed of any appeal it makes by providing copies of all pertinent documents to Buyer.

(6) The Seller shall indemnify and hold harmless from any and all liability of any kind incurred by or imputed to Buyer under Section 5, "Fraudulent Claims," of the Contract Disputes Act of 1978, as amended, if Seller is unable to support any part of its claim and it is determined that such inability is attributable to fraud or misinterpretation of fact on the part of Seller.

(7) As used in this clause, the word "appeal" means an appeal taken under the Contract Disputes Act of 1978, as amended.

(f) Nothing in this clause nor any authorization or offer shall be deemed to constitute acceptance or acknowledgement by Buyer of the validity of Seller's claim or any part thereof, nor be deemed to limit or in any way restrict Buyer from taking any actions, included available remedies, it deems appropriate to protect its own interests.

11. CHANGES AND EQUITABLE ADJUSTMENTS:

(a) Buyer may at any time and without notice to third parties, including sureties (if any), by written instructions from Buyer's Representative to Seller, unilaterally make changes to these terms and conditions and/or in the Services to be performed or the Items to be furnished hereunder in any one or more of the following:

- (1) drawings, designs or specifications;
- (2) method of shipment or packing;
- (3) time and/or place of delivery, inspection or acceptance;

- (5) the statement of work;
- (6) method or manner of performance of the work; and
- (7) property, facilities, equipment, or materials, to be provided under this Order.

(b) During performance of this Order, Seller shall not make any changes in the Services to be performed or in the design of Items or manufacturing of Items to be furnished by Seller under this Order, including any changes to the process, manufacturing location, or use of suppliers, without advance notification to and written approval of Buyer. Items or Services that have changed without prior notification and consent shall be nonconforming Items or Services under this Order. Changes shall not be binding upon Buyer, except when confirmed in writing by Buyer's Representative. The issuance of information, advice, approvals, or instructions by Buyer's technical personnel or other representative shall be deemed expressions of personal opinion only, and shall not affect Buyer's and Seller's rights and obligations hereunder, unless the same is in writing signed by Buyer's Representative and which expressly states that it constitutes an amendment to this Order. If Seller considers that Buyer's conduct constitutes a change, Seller shall notify Buyer's Representative immediately in writing as to the nature of such conduct and its effect upon Seller's performance.

(c) If any written change under this Article causes an increase or decrease in the estimated costs or the time required for performance of the Order, an equitable adjustment to the estimated cost, amount of any fee and/or delivery schedule may be made and the Order modified in writing accordingly. Any equitable adjustment in price to which Seller may be entitled as a result of an increase in the quantity of Items or Services ordered shall not exceed the funded value or unit price established for such Items or Services herein.

(d) Any claim by Seller for adjustment must be asserted to Buyer within fifteen (15) days from date of Buyer issued change order. Seller's claim for adjustment must be submitted in writing in the form of a complete change proposal, fully supported by factual information to Buyer's Representative within thirty (30) days from the date Buyer issued the change

order. Buyer may, in its sole discretion, increase the funded value and may consider any such claim regardless of when asserted, except that no claim for equitable adjustment shall be allowed after final payment. If requested by Buyer, Seller shall identify that portion of its claim for which it believes the Government is liable and shall execute the certification above, substituting "the Government" for "Buyer" as to such amount. Buyer may submit Seller "pass through" claims against the Government at its sole discretion. In no event shall the Seller acquire any direct claim or direct cause of action against the Government.

(e) If Buyer and Seller are unable to agree upon an equitable adjustment in the event of any change directed by Buyer, the matter will be resolved in accordance with the disputes clauses of Article 10. Nothing contained herein, including failure of the Parties to agree upon any equitable adjustment to be made under this Article, shall excuse Seller from proceeding without delay with the Order as changed by Buyer's written direction.

(f) Nothing in this clause nor any authorization or offer that may be made shall be deemed to constitute acceptance or acknowledgment by Buyer of the validity of Seller's claim or any part thereof, nor be deemed to limit or in any way to restrict Buyer from taking any actions, including available remedies, it deems appropriate to protect its own interests.

12. COMPLIANCE WITH FEDERAL, STATE AND LOCAL LAWS: Seller, in the performance of this Order, shall comply with all applicable local, state, and federal laws, orders, rules, regulations, ordinances, guidelines, directives, FAA, DOT and other transportation regulations and Hazard Communication Standards promulgated pursuant to the Occupational Health and Safety Act. SELLER shall procure all licenses/permits, pay all fees, and other required charges. NOTE: Export licenses, unless otherwise specified in the Agreement, will be obtained by Buyer.

(a) Buyer may proceed as provided for in subparagraph (c) below if, as a result of any violation of applicable laws, rules, regulations, ordinances, or this Order by Seller, its officers, employees, agents, suppliers, or subcontractors at any tier:

- (1) Buyer's contract price or fee is reduced;
- (2) Buyer's costs are determined to be unallowable;
- (3) any fines, penalties, withholdings, or interest are assessed on Buyer; or
- (4) Buyer incurs any other costs or damages.

(b) Buyer may also proceed as provided for in subparagraph (c) below where submission of certified cost or pricing data is required or requested at any time prior to or during performance of this Order, if Seller or its lower-tier subcontractors:

- (1) submit and/or certify cost or pricing data that are defective with notice of applicable cutoff dates; and
- (2) upon Buyer's request to provide certified cost or pricing data, submit cost or pricing data, whether certified or not certified at the time of submission, as a prospective subcontractor, and any such data are defective as of the applicable cutoff date on Buyer's Certificate of Current Cost or Pricing Data;
- (3) claim an exception to a requirement to submit cost or pricing data and such exception is invalid;
- (4) furnish data of any description that is inaccurate; or,
- (5) such data causes the U.S. Government to allege any of the foregoing, and, as a result:
 - (i) Buyer's contract price or fee is reduced;
 - (ii) Buyer's costs are determined to be unallowable;

(iii) any fines, penalties, withholdings, or interest are assessed on Buyer; or

(iv) Buyer incurs any other costs or damage.

(c) Upon the occurrence of any of the circumstances in subparagraphs (a) and (b) above, Buyer may make a reduction of corresponding amounts (in whole or in part) in the price of this Order or any other contract with Seller, and/or may demand payment (in whole or in part) of the corresponding amounts. Seller shall promptly pay amounts so demanded. In the case of withholding(s), Buyer may withhold the same amount from Seller under this Order.

(d) Additionally, upon occurrence of any of the circumstances in subparagraph (b) above, Seller shall be liable and shall pay Buyer at the time any overpayment is repaid: (1) simple interest on the amount of such overpayment to be computed from the date(s) of overpayment to Seller to the date Buyer is repaid by Seller at the applicable underpayment rate effective for each quarter prescribed by the Secretary of the Treasury under 26 U.S.C. § 6621(a)(2); and (2) a penalty equal to the amount of the overpayment, if Seller knowingly submitted cost or pricing data which were incomplete, inaccurate, or non-current.

13. COMPLIANCE WITH THE U.S. FOREIGN CORRUPT PRACTICES ACT: Seller shall: (i) comply with the requirements of the Foreign Corrupt Practices Act (FCPA) (15 U.S.C. §§ 78dd-1, et. seq.) (as amended), regardless of whether Seller is within the jurisdiction of the United States; (ii) neither directly nor indirectly, pay, offer, give, or promise to pay or give, any portion of monies or anything of value to a non-U.S. public official or any person in violation of the FCPA and/or in violation of any applicable country laws relating to anti-corruption or anti-bribery; and, (iii) Seller hereby agrees not to interact with any government official, political party or public international organization on behalf of Buyer without the prior written permission of the Buyer's Procurement Representative.

14. GRATUITIES/KICKBACKS: No gratuities (in the form of entertainment, gifts, travel, or anything of value) or kickbacks shall be offered or given by Seller or by any agent, representative, affiliate, or subcontractor of Seller to any officer or employee of Buyer's Customer or Buyer. This restriction specifically prohibits the direct or indirect inclusion of any kickback amounts in any invoices or billings submitted under this Order or any other agreement with Buyer. Buyer may, by written notice to Seller, immediately terminate the right of Seller to proceed under this Order if it is found that gratuities (in the form of entertainment, gifts, travel or anything of value) or kickbacks were offered or given by Seller, or by any agent or representative of Seller, to any officer or employee of Buyer's Customer or Buyer.

15. TERMINATION:

Buyer may terminate this Order in accordance with FAR 52.249-6, Termination (Cost-Reimbursement); except as otherwise noted, replace "Government" with "Buyer" and "Contracting Officer" with "Buyer's Representative".

(a) The settlement proposal shall be submitted to Buyer's Representative within 30 days with full supporting documentation for all costs claimed.

(b) Audits and examinations of records, as required by Buyer, shall be performed by Buyer or an independent certified public accounting firm, mutually acceptable to Buyer and Seller. The cost of independent audits and examinations of records shall be paid by Buyer. Notwithstanding anything to the contrary, Buyer shall not be liable for special or consequential damages.

(c) Applicable Procedures

(1) In the event Buyer partially terminates this Order, Seller shall continue the performance of this Order to the extent not canceled under the clauses of this Article.

(2) After receipt of notice of such termination and upon Buyer's direction, Seller shall stop work under this Order on the date and to the extent specified in the notice of termination, and shall transfer title and deliver to Buyer satisfactorily completed work and such work in process as directed by Buyer. Payment for

completed Items delivered to and accepted by Buyer shall be at the price set out in the Order. Buyer may withhold from Seller moneys otherwise due Seller for completed Items and/or materials in such amounts as Buyer determines necessary to protect Buyer against loss due to outstanding liens or claims against said Items or materials.

16. DELAYS AND NOTICE OF LABOR DISPUTES:

(a) Seller shall not be liable for any delays in delivery caused by circumstances beyond its reasonable control including acts of God or of the public enemy, fire, floods, epidemics, quarantine restrictions, strikes or freight embargoes, provided that:

(1) Seller immediately gives written notice to Buyer of any difficulty or anticipated difficulty in meeting the delivery schedule set forth in the Order;

(2) Seller immediately gives written notice to Buyer of any actual or potential situation that is delaying, or threatens to delay the timely performance of the Order, including an actual or potential labor dispute; and

(3) the delay does not materially affect Buyer's scheduling on any system or process.

(b) When any delays in delivery occur, Seller encounters difficulty in meeting performance requirements or Seller anticipates difficulty in complying with the delivery schedule or date, Seller shall immediately give notice thereof to Buyer. If requested by Buyer, Seller shall use additional effort, including premium effort, to avoid or minimize delay to the maximum extent possible. All of the costs of the additional effort shall be borne by Seller. The rights and remedies pursuant to this Article are in addition to rights and remedies provided to Buyer under this Order.

(c) Notwithstanding the above, if such delays extend for more than thirty (30) days from the delivery or performance date or threatens Buyer's delivery commitments under its Government Contract, Buyer may terminate such part of this Order remaining to be performed without liability to Buyer except for the fair value of work already completed and accepted.

17. DELIVERY: Shipments made pursuant to this Order must be shipped as specified in the Purchase Order. If Seller does not use Buyer's specified carrier(s) and Buyer incurs additional freight cost as a result, such additional freight cost shall be Seller's responsibility. Moreover, unless otherwise specified, Seller hereby agrees to the following:

(a) Buyer reserves the right to refuse shipments made in advance of the schedule set forth in this Order. If Seller tenders Items for delivery to Buyer in advance of the delivery date specified in Buyer's delivery schedules, Buyer may, in its absolute discretion, either (i) refuse delivery, return early deliveries at Seller's expense, and require re-delivery at Seller's expense on the delivery date, or (ii) retain such Items and make payment in accordance with the original payment schedule in the Purchase Order regardless of the actual date of delivery. Seller bears the risk of loss of all Items delivered in advance of the delivery date specified in Buyer's delivery schedules.

(b) Overshipment allowances require prior Buyer authorization, and will be applied to the entire Order. Unauthorized overshipments shall be returned to Seller at Seller's sole expense. Seller has the right to deem overshipments uneconomical to return, relieving Buyer of responsibility to return or pay for the overshipment.

(c) Time is of the essence in Seller's performance of the Order, and Seller shall deliver Items and Services by the delivery date specified in Buyer's delivery schedules. If Seller tenders Items for delivery to Buyer after the delivery date specified in Buyer's delivery schedules:

(1) Buyer may, in its sole discretion, refuse late deliveries.

(2) If Buyer agrees to accept deliveries after the contracted delivery date, the Parties agree that delays which are not excusable or mutually agreed upon shall be subject to liquidated damages of one percent (1%) of the total order value per day, up to

a maximum amount of twenty-five percent (25%) of the Purchase Order value, for each day delivery or performance is delayed beyond the date set forth in the Schedule of this Purchase Order. Such liquidated damages shall be paid by Seller within sixty (60) days of Buyer's acceptance of such deliveries. Buyer's right hereunder to recover liquidated damages for Seller's delayed performance is not an exclusive remedy for delay and shall be in addition to all other rights and remedies that Buyer has under this Order and at law and equity. The liquidated damages amount shall be subtracted from the line item value. If the delivery delay was as a result of any action taken on the part of Buyer, Seller shall notify Buyer in writing at the time the delay occurs and request that Buyer waive liquidated damages provided herein. Failure to notify Buyer will result in liquidated damages. Seller may not refuse shipment of said line item to avoid late delivery liquidated damages.

(3) If Buyer agrees to accept deliveries after the delivery date has passed, Buyer shall have the right to direct Seller to make shipments by the most expeditious means and the total cost of such expedited shipment and handling shall be borne by Seller.

(4) Acceptance of late deliveries shall not be deemed a waiver of Buyer's right to hold Seller liable for any loss or damage resulting therefrom, nor shall it act as a modification of Seller's obligation to make future deliveries in accordance with the delivery schedule set forth in this Order.

(5) Seller at the request of Buyer, shall provide a written explanation for the root cause of the delay, Seller's corrective action plan to address the late deliveries and assurances that Seller will make all future deliveries in accordance with the Order requirements and schedule.

18. WARRANTY:

(a) Seller warrants that all the Items and Services furnished hereunder shall:

(1) conform fully with all requirements of this Order, including any and all specifications, drawings, and performance requirements;

(2) conform to approved sample or samples, if any;

(3) unless detailed designs have been furnished by Buyer, be fit for the use intended by Buyer whether expressed or reasonably implied;

(4) be free from defects in material, workmanship, design and fabrication;

(5) be free from security interests, liens or encumbrances and of good title; and

(6) be performed with that degree of skill and judgment normally exercised by recognized professionals delivering or performing the same or similar Items or Services. In the event that an employee of Seller should prove to be unsatisfactory during that employee's first eighty (80) billable hours of work on Buyer's Order, Buyer may request the removal of Seller's employee from performance of the Order with no billable charges incurred.

(b) Seller guarantees all Services and Items, parts, components, and assemblies furnished hereunder against any defects in design, material, or workmanship for eighteen (18) months from the date of acceptance at Buyer's location. In the case of latent defects, Buyer's rights to corrective action by Seller shall commence upon Buyer's discovery of the latent defect and notification of Seller thereof.

(c) Neither approval by Buyer of Seller's design or material used nor Buyer's inspection of same shall relieve Seller from any obligations under the warranties set forth in this Article.

(d) The word “Item(s)” as used herein includes parts, components, assemblies, materials, equipment, services and data required under this Order.

In addition, Seller is hereby notified that the hardware, technology, technical data, and/or software sold by Seller that is derived from hardware, technology, and/or software provided by Buyer are or may also be subject to the EAR. The EAR is accessible at the U.S. Department of Commerce, Bureau of Industry and Security website at <http://www.bis.doc.gov>.

Seller will be informed by Buyer of the export control status (i.e., jurisdiction and categorization) of all hardware, technology, and/or software provided to Seller by Buyer. Hardware and technology will be clearly marked as export controlled or not. Seller agrees that it will not transfer or provide access to any EAR-controlled hardware, technology, technical data, or software provided by Buyer out of the United States or to non-U.S. persons employed by or associated with Seller, whether located in the U.S. or not, without U.S. Government authorization and permission from Buyer.

(3) Seller also certifies to Buyer that it does not, and shall not, participate or comply with any boycott (both domestic and international), or boycott-related request or engage in any restrictive trade practices which are in contravention of a Government law or regulation including 15 C.F.R. Part 760.

(e) U.S. Economic and Trade Sanctions. Seller understands that the Office of Foreign Assets Control ("OFAC") of the U.S. Department of the Treasury administers and enforces economic and trade sanctions based on US foreign policy and national security goals against targeted foreign countries and regimes, terrorists, international narcotics traffickers, those engaged in activities related to the proliferation of weapons of mass destruction, and other threats to the national security, foreign policy, or economy of the United States. Seller warrants that it is not (1) a person or entity whose name appears on the list of Specially Designated Nationals and Blocked Persons published by the OFAC ("Listed Person") or (2) a department, agency, or instrumentality of, or

The Consolidated Screening List can be found here: http://2016.export.gov/ecr/eg_main_023148.asp.

(g) Hardware, Technology, or Technical Data Received Without Marking. Seller is hereby notified that, to the extent it should receive any hardware, technology, or technical data from Buyer that is not marked as export controlled (i.e., under the ITAR or EAR), Seller must treat such hardware, technology, or technical data in conformance with the most restrictive standard potentially applicable unless it requests and receives specific written instructions from Buyer that releases Seller from this requirement.

Part 178, Subpart K and 27 C.F.R. Part 179, Subpart H. Seller is also advised that an approved export license issued by the DDTTC may also be required pursuant to the relevant requirements of the ITAR.

(j) Record Keeping. Seller agrees to bear sole responsibility for all regulatory record keeping associated with the use of licenses and license exceptions/exemptions. Without limiting the foregoing, Seller agrees that it will not transfer any export controlled item, data, or services, to include transfer to foreign persons employed by or associated with, or under contract to Seller or Seller’s lower-tier suppliers, without the authority of an export license, agreement, or applicable exemption or exception. Seller agrees to share its applicable export control documentation with Buyer upon request. 47. **SEVERABILITY:** If any part, term, or clause of this Order shall be held void, illegal, unenforceable, or in conflict with any law of a federal, state, or local government having jurisdiction over this Order, the validity of the remaining portions of clauses shall not be affected thereby. In the event that any part, term or clause of this Order is held void, illegal, unenforceable, or in conflict with law, Seller agrees to negotiate a replacement clause, construed to accomplish its originally intended effect.

48. **SURVIVABILITY:** All of the provisions of this Agreement shall survive the termination (whether for convenience or default), suspension or completion of this Agreement unless they are clearly intended to apply only during the term of this Agreement.

49. **CERTIFICATIONS:** By accepting this Order, Seller certifies to the best of its knowledge and belief that:

(a) Seller and/or any of its principals are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any federal agency;

(b) there is no litigation or proceeding pending, and that none are anticipated (e.g. claims of fraud, waste or abuse, debarment proceedings, or criminal allegations, against it or any of its officers or employees that may restrict, invalidate or void the Items or Services contemplated by this Order or render the continuation of such Order inadvisable);

(c) Seller has reviewed the Order and that no person that it provides to perform any services included therein has any legal restrictions as a result of government service that would be pertinent to the Order that would prevent such person from reasonably performing the work contemplated (e.g., post-employment restrictions related to representing a company to the government, accepting compensation for these services or improperly using or disclosing non-public information in these duties);

51. CONFLICT OF INTEREST: It is understood and agreed that the Seller, under the terms of this Agreement, or through the performance of this Agreement, is neither obligated nor expected to deliver or provide material or perform work, which will place the Seller in an Organizational Conflict of Interest (OCI) per FAR 9.5, which could serve as a basis for excluding the Seller from supplying products or services to the U.S. Government customer. It will be the Seller's responsibility to identify any situation in which the potential for an OCI exists. Failure to provide such notice will be considered a material breach of this Agreement.

52. SELLER BUSINESS SYSTEMS: "Seller Business Systems" as used in this clause means Seller's material management and accounting system, cost estimating system, accounting system, earned value management system, property management system, and purchasing system. When Seller's Business Systems are reviewed and approved by a Government agency, Seller shall provide prompt notice to Buyer whenever there is a material change in the status of the Government's approval or determination of adequacy of any of Seller's Business Systems. Should the Government observe a deficiency in Seller's

Business Systems and if any of those systems produces data that is integral to the output of the Buyer, acting in its role as a prime to the Government or to another prime contractor, which may result in the Seller's and/or Buyer's Business Systems being disapproved, Seller shall be liable for and save Buyer harmless from any loss, damage, or expense whatsoever that Buyer may suffer.

53. LIMITATION OF LIABILITY:

IN NO EVENT SHALL THE BUYER BE LIABLE FOR INDIRECT, SPECIAL, CONSEQUENTIAL, MULTIPLE OR PUNITIVE DAMAGES, OR ANY DAMAGE DEEMED TO BE OF AN INDIRECT OR CONSEQUENTIAL NATURE ARISING OUT OF OR RELATED TO ITS PERFORMANCE UNDER THE CONTRACT, WHETHER BASED UPON BREACH OF CONTRACT, WARRANTY, NEGLIGENCE AND WHETHER GROUNDED IN TORT, CONTRACT, CIVIL LAW OR OTHER THEORIES OF LIABILITY, INCLUDING STRICT LIABILITY. TO THE EXTENT THAT THIS LIMITATION OF LIABILITY CONFLICTS WITH ANY OTHER PROVISION(S) OF THIS CONTRACT, SAID PROVISION(S) SHALL BE REGARDED AS AMENDED TO WHATEVER EXTENT REQUIRED TO MAKE SUCH PROVISION(S) CONSISTENT WITH THIS PROVISION. IN NO EVENT SHALL THE TOTAL CUMULATIVE LIABILITY OF BUYER WHETHER IN CONTRACT, WARRANTY, TORT (INCLUDING NEGLIGENCE OR STRICT LIABILITY) OR OTHERWISE FOR THE PERFORMANCE OR BREACH OF THE CONTRACT OR ANYTHING DONE IN CONNECTION THEREWITH EXCEED THE AGREEMENT PRICE. NOTWITHSTANDING ANYTHING ELSE IN THE AGREEMENT TO THE CONTRARY, THE STATED MONETARY LIMITATION HEREINABOVE IS THE MAXIMUM LIABILITY BUYER HAS TO THE SELLER.

SECTION 2 – FAR AND NFS CLAUSES APPLICABLE IF THIS ORDER IS PLACED UNDER BUYER CONTRACT CONTAINING SUCH CLAUSES

In addition to the clauses of Section 1, the following clauses shall apply to the Order as required by the terms of Buyer’s Government Contract, by operation of law or regulation, or by the terms of the specific clauses. Buyer is flowing down to Seller certain provisions and clauses from the FAR and Nasa FAR Supplement (NFS) (all herein “USG Clauses”). These USG Clauses are hereby incorporated by reference, as applicable, and in the manner set forth below (including any parenthetical information regarding applicability, bracketed information regarding modifications to the USG Clauses). For certain USG Clauses, Buyer has provided parenthetical language describing the circumstances in which the USG Clauses apply to the Order. This parenthetical language may not encompass all situations where the USG Clauses apply and Seller is responsible for confirming whether the USG Clauses are applicable to the Order.

The effective version of the USG Clauses shall be the version in effect as of the date this Order is issued unless a different version appears in Buyer’s Government Contract, in which case the version in Buyer’s Government Contract applies. The Parties hereby agree to amend this Item 2 to include any additional or revised USG Clauses incorporated in Buyer’s Government Contract that are applicable to the performance of this Order. The Parties shall handle any such amendments of this Section 2 under Article 11 “Changes and Equitable Adjustments” of this Order. Seller shall flow down to its lower-tier subcontractors all applicable USG Clauses and any other requirements of this Order and applicable law so as to enable and ensure that Buyer and Seller comply with all applicable requirements of Buyer’s Government Contract.

It is intended by the Parties that these USG Clauses shall apply to Seller in such manner as is necessary to reflect the position of Seller as a subcontractor to Buyer, and to ensure Seller’s obligations to Buyer and to the Government, and to enable Buyer to meet its contract obligations to the Federal Government. Consequently, in interpreting and applying USG Clauses flowed down to Seller, and as context requires, the terms “Contractor” and “Offeror” shall mean Seller, the term “Contract” shall mean this Order, and the term “Government”, “Contracting Officer” and equivalent phrases shall mean Buyer and/or Buyer’s Representative. However, as an exception to the foregoing, the terms “Government” and “Contracting Officer” do not change in the following circumstances: in the phrases “Government Property,” “Government-Furnished Property,” and “Government-Owned Property”; in the Patent Rights clauses incorporated therein, if any; when a right, act, authorization or obligation can be granted or performed only by the Government or a Contracting Officer or his/her duly-authorized representative; when title to property is to be transferred directly to the Government; when access to proprietary financial information or other proprietary data is required, except as otherwise provided in this Order; and where specifically modified in this Order.

USG Clauses flowed down by Buyer to Seller pursuant to Section 2 may require submission of certificates. All such required representations and certifications made by Seller in connection with flow down of USG Clauses, including all such certifications submitted by Seller with its offer, are hereby incorporated in this Order by reference. Seller shall, with respect to applicable USG Clauses flowed down pursuant to this Section 2, furnish to Buyer (or directly to the Government upon request of Buyer) any certificate required to be furnished by any USG Clause and any certificate required by any further U.S. law, ordinance, or regulation with respect to Seller’s compliance with the terms and provisions of U.S. laws, ordinances, or regulations. As used in this paragraph, the word “certificate” shall include any plan or course of action or record keeping function, as, for example, a small business subcontracting plan for which flow down is required.

Seller shall indemnify and hold Buyer harmless from and against any price reduction in Buyer’s Government Contract, as well as Buyer’s reasonable attorneys’ fees and other direct costs to defend Government Contract claims when said reduction is attributable to the failure of Seller or Seller’s subcontractors to seek payment only of allowable costs and to properly discharge applicable duties under the Truth in Negotiation Act and Cost Accounting Standards clauses incorporated by reference in accordance with this clause.

1. FAR CLAUSES:

In addition to the clauses of Item 1, the following clauses shall apply to the Order as required by the terms of Buyer’s Government Contract, by operation of law or regulation, or by the terms of the specific clauses. The following FAR Clauses are hereby incorporated by reference, as applicable, and made a part of this Order.

APPLICABLE TO ALL ORDERS:

- 52.203-19 Prohibition on Requiring Certain Internal Confidentiality Agreements or Statements
- 52.204-19 Incorporation by Reference of Representations and Certifications
