SIMPLIFIED, SECURE **P25 SOLUTIONS**

Power25 System Bundles

YOU CAN'T AFFORD NOT TO UPDATE YOUR CRITICAL COMMUNICATIONS

Relying on a legacy two-way communications solution can put everything at risk—including the safety of your employees and those you serve.

MINIMIZE RISK AND MOVE FORWARD WITH COST EFFECTIVE POWER25 BUNDLES

BUILT-IN CYBERSECURITY

Hardened network technology continually monitors risks, addresses vulnerabilities, and protects communications with advanced encryption.

HYBRID CONNECTIVITY

Hybrid technology combines LMR with LTE to provide essential mission-critical connectivity and improved situational awareness.

GREATER COVERAGE

Resilient Power25 technologies expand your connectivity, ensuring you're in touch with your team, no matter the distance or demands.

INTEROPERABILITY

Power25 provides a range of interoperability options to communicate with public safety and public service agencies.

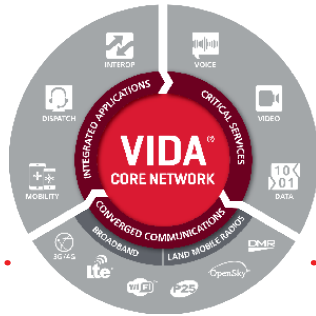

PROVEN PERFORMANCE, RIGHT-PRICED AND READY TO GO

Power25 System Bundles from L3Harris give organizations the power to unlock the full potential of P25 networks. These scalable solutions are designed to grow with your business needs including flexible upgrade options to enhanced or emerging P25 technologies.

Each Power25 solution leverages industry-leading L3Harris technologies:

VIDA® ESSENTIALS CORE

Entry-level P25 core network supports voice, data, and applications across LMR and LTE networks to deliver secure, mission-critical communications.

MASTR® V BASE STATION

Industry-leading coverage and resilience for digital P25 voice and data powered by a flexible IP-based architecture supporting fast updates and streamlined integration with commercial apps and devices.

**LTE option available*

SYMPHONY™ CONSOLE

A customizable and intuitive dispatch interface simplifies operations and brings Situational Awareness front and center for faster, more effective incident response.

XL-150P PORTABLES

Rugged hybrid radios switch between LMR and LTE networks* for seamless, reliable, and secure communications. Loud, clear audio ensures you'll be heard in extreme and challenging environments.

DON'T WAIT UNTIL YOUR LEGACY SYSTEM FAILS YOU

Find the Power25 Bundle Solution that's right-sized for your organization. Pre-configured bundles make it easy to order and deploy, saving time and cost. Or, work with L3Harris to build a custom solution to fit your needs. **L3Harris.com**
