Level D Full Flight Simulators	State-of-the-art classrooms	To CAA and EASA standards	Investment in pilot training

## WELCOME TO YOUR NEW HOME FOR TRAINING.

The recently opened London Training Center, is a \$100+ million investment focused on delivering the highest quality of pilot training in a purpose built state-of-the-art facility. We have prepared this welcome pack about the London Training Center in advance of your visit, so you can familiarize yourself with the facilities beforehand. To best prepared for your training.

“Airlines rely on their pilots  
expertise - so the flexibility and  
reactivity of our training is key to  
mutual success”

ROBIN GLOVER-FAURE, PRESIDENT

## ABOUT L3HARRIS

L3Harris are the global experts in providing a comprehensive range of training courses and support services, including training systems hardware and software for pilots and airlines.

L3Harris delivers training matched to airline needs through a long history of successful relationships with global airlines. Our connected expertise enhances our ability to provide you with the very best pilot training.

We have training centers close to major airports and a global network of academies, making training accessible for candidates and airlines. What’s more, we ensure training is truly reflective of the unique corporate cultures of our airline customers across the world.

Technology that takes you closer to reality

Our training systems take tomorrow’s pilots and crew to near-reality, combining unrivaled simulated experiences with our in-depth knowledge of aircraft and the human behavior that governs them. From tablet-based tuition to Full Flight Simulators, we’re equipped to exceed training requirements.

L3Harris provides the full range of EASA pilot training including:

- |                        |  |                                      |
|------------------------|--|--------------------------------------|
| > Type Rating Training | > Recurrent & Refresher                | > Type Rating Examiner (TRE) Courses |
| > Command Upgrade      | > Examiner Refresher Seminars          | > Multi-crew Pilots License (MPL)    |
| > Operator Conversion  | > Type Rating Instructor (TRI) Courses | > Dry Simulator                      |

## YOUR NEW HOME FOR TRAINING

### PILOT’S LOUNGE

We understand that during your training, you need somewhere where you can relax, catch up on some emails or have a catch-up with some of your colleagues. Our Pilot’s Lounge has been designed with this in mind and offers the following benefits:

- > Comfortable seating areas
- > Work stations
- > Vending machines
- > Complimentary hot drinks machine
- > Microwave

Location: Ground floor

### RESTAURANT – THE BEEHIVE

Named after the original London Gatwick Airport terminal, the Beehive restaurant is both a great place to refuel between training or just to take a moment to relax over our barista coffee.

Location: Ground floor

Opening hours: Monday - Friday,  
7.30am - 3.30pm

(Excluding national holidays)

### BREAKFAST:

Served between 7.30am - 10.00am  
Yoghurt, Fruit, Cereal, Cooked Breakfast & Baps. Drinks: Hot drinks & soft drinks.

### LUNCH:

Served between 12.00pm – 2.00pm

Daily selection of hot meals & specials, sandwiches, soups, toasties, salad bar, snacks and confectionery.

Dietary considerations: The Beehive restaurant caters for both Vegans and Vegetarians. Please ask a member of the restaurant team for more information.
