

## L3HARRIS INDIA RECYCLING

### Do and Don'ts of recycling electronics

#### DO

- > Always look for information in the product's catalogue or documentation for end-of-life equipment handling.
- > Ensure that only authorized recyclers handle and/or repair your electronic products.
- > Always call our e-waste authorized collection points to dispose products that have reached end-of-life.
- > Always drop-off your used electronic product batteries or any accessories when they reach end-of-life at your nearest authorized e-waste collection point.
- > Always disconnect the battery from product and ensure any glass surface is protected against breakage.

#### DON'TS

- > Do not dismantle your electronic products on your own.
- > Do not throw electronics in bins having "Do not dispose of e-waste" sign.
- > Do not give e-waste to informal (Kabbadi) and unorganized sectors like local scrap dealer local scrap dealers.

**Do not dispose your product in garbage bins along with municipal waste that ultimately reaches landfills.**

**Toll-free number (1-800-270-7666)**

## E-WASTE COLLECTION POINTS

We have signed an agreement with M/s. Global Waste Solution, who are authorized dismantlers and recyclers having authorization from Haryana Pollution Control Board as our new recycler. They shall be responsible for all the Extended Producer Responsibility (EPR) activities including collection transportation storage, segregation & dismantling and recycling with regards to our e-waste. We will use our recycler partner's collection points for channelization of the e-waste. We don't have collection points in all of the states but the collection points of neighboring states will collect the e-waste from nearby States. Statewide list of collection points are given below:

Details of collection points already established by Global Waste Solution are as follows:
