Financing Support

- > We provide competitive leasing or loan rates from our established national and regional lenders
- > We'll supply lenders with any necessary equipment specifications at your request
- > We'll stand by you every step of the way with expert support and guidance during the lending process

Every year, through Federal Grants, millions of dollars are available to public safety agencies to purchase life-saving equipment.

Grant Assistance

- > We help you find grants to free up your capital for other budgetary needs
- > Our Grant Funding Program Office will help you assess which grants best meet your needs
- > Our consultants provide support and guidance throughout the process including: researching grants available for First Responders, understanding requirements, timelines and submitting the application
