FAST. FORWARD.

RADIO REFRESH 2.0

Trade In Your Old Radio.
Get Credit Toward the Future.

We're excited to announce that, for a limited time, customers can trade in their current radio and receive up to **\$1,000** towards the purchase of a new L3Harris XL radio. This trade-in offer allows customers to upgrade currently fielded radios to a new XL device and unlock the full power of mission-critical communications.

There's never been a better time to upgrade

- > **No Boundaries:** Select models available with LTE, Wi-Fi and all-band capabilities, ensuring seamless connectivity when and where you need it most. Whether you're operating in urban environments or tackling remote missions, our radios are designed to keep you connected with reliable, mission-critical performance.
- > **Crystal Clear Audio:** A dual-speaker design with advanced noise cancellation and echo reduction lets voice transmissions cut through sirens, engines and chaos, ensuring communications are heard in any environment.
- > **Advanced Safety:** Rugged military-grade hardware, paired with smart safety features like man-down detection, evacuation broadcast, configurable alert tones, audio playback and voice annunciation, keeps users protected in any scenario.
- > **Cut the Cords:** Gone are the days of manually programming radios one by one. Remotely program an entire fleet of radios in minutes using our Two47™ Device Management cloud technology.

How It Works

1. **Trade in** any radio from any vendor, any make or model.
2. **Receive credit** toward the purchase of a new XL Series radio.
3. **Start communicating** on the industry's leading mission-critical communications platform.

Terms and Conditions

1. Valid through December 15, 2025.
2. **MBP# 12117697 - Radio Refresh 2.0 Trade In** must be listed on the purchase order.
3. Apply eligible contract discounts before trade-in credit.
4. One credit per purchase of qualifying XL-series radios with P25 Trunking mode: XL-400P, XL-200P, XL-185P, XL-150P, XL-95P, XL-45P, XL-200M, XL-185M, and XL-85M series radios. XG-series radios are excluded.
5. Trade in radios must be working (new or used). Only radio transceivers accepted—no accessories.
6. Software and accessories sold at standard discounts.
7. This offer cannot be combined with other promotions, special offers or special pricing agreements.
8. Transactions are subject to validation and audit. L3Harris reserves the right to disqualify any transaction deemed invalid. Failure to return product or to provide a valid representative signed RMA form may result in charge back of trade-up credits to the customer. Trade-up quantities of portables must match the quantities of portables listed on the purchase order.
9. L3Harris in its sole discretion can modify and interpret the terms and conditions of this offer and alter, amend or cancel this trade-up program in whole or in part at any time without prior notification. All decisions made by L3Harris are final.
10. Standard product delivery and payment terms apply.
