Important Information

- A 90-day warranty applies to all Terminal and Infrastructure repairs.
- Infrastructure repairs are based on time and material. Flat rates DO NOT apply.
- All terminal repairs not listed above are subject to the current hourly labor rate plus parts (where available).
- Evaluation fee is applicable for units sent in for repair (\$290.00 per item).
- Mobile radio units are subject to evaluation fees to both control head and main body, if sent in.

Flat Rate Pricing

Flat Rate Pricing applies to terminal repairs which have become defective through normal wear and use.

- This does not include the following:
 - Repair of damage due to tampering, multiple defects, or physical damage/water damage.
- Accessories:
 - Accessories are not repaired and should not be returned to the Service Depot.
 - Accessories consist of microphones, lanyards, antennas, batteries, mounting brackets, radio cabling, filter assemblies, chargers, speaker-mics, HHC, etc.
 - PSPC Canada Systems/L3Harris is not responsible for customer accessories sent to the Service Depot.

Expedited Processing

Expedited two-day turn time is available for in-house repairs for an added charge of \$290.00.

- Expedited fees apply to all internal repairs, regardless of Warranty or Service Agreement Status.
- Does not include transportation time.
- For expedited repairs, requests must be made before a Return Material Authorization (RMA) number is issued.

To obtain a Return Material Authorization (RMA), please reach out to our Canada AMS Team at pspc_calgaryservice@l3harris.com.

Note that PSPC Canada Systems, Inc./L3Harris reserves the right to modify prices without prior notice.
