- (h) “Government” means an agency of the federal government of the United States, unless otherwise specified.

- (n) “Seller” means the legal entity performing work pursuant to an Order and, if the context requires, its employees, officers, agents, and others acting at its direction and control or under contract to it. 2. PURCHASE OF ITEMS AND SERVICES AND ORDER OF PRECEDENCE:

- (a) These General Terms and Conditions shall govern the delivery of Items or performance of Services provided by Seller under an Order. All documents provided for under an Order shall be in English. Any additional or different terms and conditions contained or referenced in Seller’s order document, on any website or webpage, any prior quotation, or any acknowledgment of an Order (including but not limited to any shrink-wrap or click-through terms) that are not negotiated by the Parties and identified on the Order are explicitly rejected by Buyer without further notice of rejection and shall be of no effect nor under any circumstances binding upon Buyer. Seller expressly represents that in accepting the Order it does not rely and has not relied upon any written or oral representation, warranty, or statement not set forth in the Order and that it will not have any right or remedy rising out of any representation, warranty, or other statement not expressly set out in the Order.
- (b) The headings and subheadings of Articles contained herein are used for convenience and ease of reference and do not limit the scope or intent of the Article. The terms and conditions of the Order shall be construed and interpreted as consistent whenever possible. Any conflicts in an Order shall be resolved by giving precedence in the following order: (i) the Order document; (ii) the master agreement entered into between the Parties, if any (which is incorporated by reference in any Order issued hereunder); (iii) these General Terms and Conditions (which are incorporated by reference in any Order issued hereunder); (iv) the statement of work; (v) any Specifications, or other requirements attached hereto or incorporated herein by reference; and (vi) any supplemental terms, conditions, or provisions (such as an End User License Agreement) negotiated between the Parties and identified on the Order. In the event of a conflict in the Articles contained in Section I (Articles Applicable to All Orders) and applicable clauses contained in Section II (FAR, DFARS, and NFS Clauses), or Section III (FAA AMS Clauses), the applicable clauses in Section II (FAR, DFARS, and NFS Clauses) and Section III (FAA AMS Clauses) shall control to the extent necessary for Buyer to comply with Buyer’s Government Contract. No other document can be less restrictive than the mandatory FAR, DFARS, NFS, and FAA AMS clauses applicable to Buyer’s Government Contract.
- (c) Nothing in these General Terms and Conditions or any Order issued hereunder shall abrogate, limit, restrict, or waive Government rights except as expressly permitted by law, regulation or Buyer’s applicable Government Contract.

3. ACCEPTANCE OF THE ORDER: Except for rated Orders under the Defense Priorities and Allocation System (DPAS) (15 Code of Federal Regulations (CFR) § 700), any of the following acts by Seller shall constitute acceptance of the Order: (i) execution of the acknowledgement page of the Order and its return to Buyer within

three (3) business days of receipt or within the time frame required by applicable law; (ii) initiation of any aspect of performance or notification to Buyer that Seller is commencing performance under the Order; (iii) shipment of any Items or performance of any Services under the Order; or (iv) acceptance of any form of payment, partial or complete, under the Order. For DPAS-rated Orders, Seller shall accept or reject the Order in writing within fifteen (15) working days for DO rated orders and ten (10) working days for DX rated orders.

4. DELIVERY, TITLE, AND RISK OF LOSS:

(a) Time is of the essence in Seller's performance of the Order. Items and Services shall be delivered or performed in accordance with the schedule, shipping instructions, and delivery location set forth in the Order. For international shipments, Incoterms® 2020 shall govern all orders unless the Parties agree differently in writing. Unless otherwise set forth on the face of the purchase order, all international shipments under the Order shall use Incoterms® DDP, Buyer's Dock.

(b) Buyer reserves the right to refuse shipments made in advance of the schedule set forth in the Order and may return early delivery shipments at Seller's expense. If Buyer chooses to retain the Items shipped in advance of the schedule date, Buyer may make payment in accordance with the original delivery schedule in the Order. Buyer shall not be responsible for any additional costs associated with early delivery. Buyer may also refuse deliveries made after the scheduled delivery date set forth in the Order, and in such case, will not be liable to Seller for any Items or Services not accepted. Acceptance of early or late deliveries shall not be deemed a modification of Seller's obligation to make future deliveries in accordance with the delivery schedule set forth in the Order.

(c) When any delays in delivery occur or Seller anticipates difficulty in complying with the delivery date set forth on the Order, Seller shall immediately notify Buyer in writing. Such notice shall include a revised schedule and shall not constitute a waiver to Buyer's rights and remedies hereunder. Seller shall take all steps necessary to avoid or minimize delay. Except to the extent delay is caused by Buyer, all of the costs of delay and any additional effort shall be borne by Seller. Seller, at the request of Buyer, shall provide (i) a written explanation for the root cause of the delay, (ii) a corrective action plan to address the late deliveries, and (iii) assurances that Seller will make all future deliveries in accordance with the Order requirements and schedule. Such corrective action plan and assurances shall be satisfactory to Buyer as determined by Buyer in its sole discretion. If Buyer agrees to accept deliveries after the delivery date has passed, Buyer shall have the right to direct Seller to make shipments by the most expeditious means, and Seller shall bear the total cost of such expedited shipment and handling.

(d) Seller shall comply with Buyer's routing and shipping instructions. If Buyer's routing and shipping instructions are not attached to the Order or have not been previously received by Seller, Seller shall immediately request such instructions from Buyer. Seller shall remain liable for any and all additional charges which accrue as a result of Seller's failure to comply with Buyer's routing and shipping instructions, including Buyer's specified carrier.

(e) Unless otherwise specified in the Order, Seller shall be responsible for safe and adequate packing conforming to the requirements of carriers' tariffs or, in the absence of such requirements, conforming to the best commercial practices. All expendable packaging materials must be legally and economically disposable or recyclable. Wooden packaging from Seller must conform to International Standards for Phytosanitary Measures (ISPM 15) regarding the Regulation of Wood Packaging Material in International Trade (2019), as amended. Seller shall separately number all containers, packages, etc., showing the corresponding number on the invoice. An itemized packing slip bearing the Order number must be placed in each container. Unless set forth in the Order, Seller shall not charge extra for packaging or packing materials.

(f) Unless prohibited by applicable law, Seller may be subjected to liquidated damages for delivery of any Items or performance of any Services after the delivery date set forth on the Order in the amount of one percent (1%) of the total value of the delayed Item or Service for each day delivery or performance is delayed beyond the delivery date set forth in the Order (up to a maximum amount of twenty-five percent (25%) of the total value of the delayed Item or Service). Seller shall pay any liquidated damages within sixty (60) calendar days of Buyer's acceptance of the Items or Services. Buyer's right to recover liquidated damages shall be in addition to all other rights and remedies that Buyer has under the Order. The total amount of liquidated damages shall be subtracted from the line item value. If the delivery delay was as a result of any action taken on the part of Buyer, Seller shall notify Buyer in writing at the time the delay occurs and request that Buyer waive liquidated damages provided herein. Failure to notify Buyer may result in liquidated damages.

(g) Any overshipment allowances require prior Buyer authorization and will be applied to either the line item or entire Order, at Buyer's discretion. Unauthorized overshipments shall be returned to Seller at Seller's sole expense.

(h) Unless otherwise specified in the Order, Seller shall bear the risk of loss and damage to all Items supplied hereunder until final acceptance by Buyer, Buyer's customer, or the Government. Buyer shall have equitable title to all Items for which interim, partial, or progress payments have been made to Seller.

5. QUALITY CONTROL AND NON-CONFORMANCE:

(a) Seller and its suppliers and subcontractors shall establish and maintain a quality management, inspection, safety, and counterfeit parts program acceptable to Buyer and consistent with current industry standards (e.g., ISO9001, AS9100, AS9115, AS9120, AS5553, AS6496, AS6174, etc.). Unless otherwise specified in an Order, Seller shall comply with the requirements of [all](#) Specifications. Seller shall permit Buyer to review procedures, practices, processes and related documents to determine such acceptability. Seller shall have a continuing obligation to promptly notify Buyer of any violation or deviation from Seller's approved inspection/quality control system and to advise Buyer of the quantity and specific identity of any Items or Services provided to Buyer during the period of any such violation or deviation. If Seller learns of any violations of its obligations under this Quality Control and Non-Conformance Article, Seller shall within forty-eight (48) hours so notify Buyer and within sixty (60) calendar days must rectify the non-compliance issues. If the violation is not corrected and certification has not taken place within this time frame, then Buyer at its sole discretion may terminate the Order. Seller will notify Buyer of any changes that affect quality within twenty-four (24) hours of that change. These changes include but are not limited to changes in key management or personnel, source(s) of supply of key materials, address, or site configuration.

(b) Subject to applicable national security regulations, Seller shall provide Buyer and Buyer's customer the right of access, on a non-interference basis, to any area of Seller's or Seller's supply chain sub-tier premises where any part of the work is being performed. Seller shall flow this requirement down to its sub-tier suppliers and subcontractors as a condition of the Order. Seller shall, without additional costs to Buyer, provide all reasonable in-plant accommodations, facilities, and assistance for the safety and convenience of Buyer and Buyer's representatives in the performance of their duties.

(c) An Order may include requirements for design, test, inspection, verification (including production process verification), use of statistical techniques for product acceptance, and related instructions for acceptance by Buyer, and as applicable, critical items including key characteristics and requirements for test specimens (e.g., production method, number, storage conditions) for design approval, inspection, verification, investigation or auditing. Seller shall properly test and inspect its Items in accordance with the Order requirements and applicable law and regulation. Buyer and Buyer's customer shall have the right, but not the obligation, to inspect and test data, material, work in process, Services, Items, and supplies. Seller shall flow this requirement down to its sub-tier suppliers and subcontractors as a condition of the Order. Seller shall keep and maintain inspection, test, and related records, for a period of six (6) years following Order completion. Seller shall furnish all records required by Buyer or Buyer's customer and allow Buyer or Buyer's customer to make copies of the records.

(d) Seller shall notify Buyer within forty-eight (48) hours upon Seller's discovery that any Item or Service is non-conforming. If Seller delivers a non-conforming Item or Service, Buyer may, at its option and Seller's expense: (i) return the Item for refund or credit; (ii) accept all or part of the Item or Service at a mutually agreed upon price reduction or other consideration; (iii) require Seller to promptly correct or replace the Item or Service; (iv) obtain a conforming Item or Service from another source; (v) terminate the Order for default, or (vi) exercise any other applicable rights or remedies. Buyer shall specify in writing the reason for any rejection of a non-conforming

Item or Service. If Buyer elects to return the non-conforming Item or Service, Seller shall provide disposition instructions regarding the non-conforming Item or Service, and if applicable, the date the non-conforming Item or Service will be repaired or replaced and returned to Buyer. Seller shall bear all risk of loss for the non-conforming Item or Service and be liable for any increase in costs, including removal, re-procurement, repair, and reinstallation costs, attributable to Buyer's rejection and any costs associated with Buyer's root cause corrective analysis of the non-conforming Item or Service. In addition to the right to terminate, notwithstanding any provision of the Order to the contrary, and without limiting any of Buyer's other rights or remedies, if Buyer processes a non-conformance report (NCR), the Parties acknowledge that the costs and expenses associated with the NCR process are not subject to exact calculation and that Buyer may assess a charge of \$1,000 as non-conformance costs solely for populating each NCR. The NCR charge shall be in addition to and shall not waive or otherwise limit Buyer's ability to pursue the other remedies enumerated within this Article or claims for other damage against Seller resulting from Seller's failure to perform in accordance with the Order. In the event of any costs incurred by Buyer related to a root cause corrective analysis, Seller shall reimburse Buyer any outstanding costs not covered by an equitable price reduction within thirty (30) calendar days. If Buyer rejects an Item or Service as non-conforming and Seller does not acknowledge Buyer's rejection and plan of disposition for the Item or Service within two (2) business days, Buyer will be entitled to dispose of the non-conforming Item or Service without liability to Seller. Additionally, Buyer may elect to return the non-conforming Item or Service back to Seller at Seller's risk of loss and expense.

(e) Buyer's payment for any non-conforming Item or Service will not constitute final acceptance by Buyer, limit or impair Buyer's right to exercise any rights or remedies or relieve Seller of responsibility for the non-conforming Item or Service. In the event Buyer decides for any reason to accept a non-conforming Item or Service, any costs incurred by Buyer for testing, evaluating, and manufacturing relating to the design changes to the Item or Service, shall be responsibility of Seller, and Seller may not pass along any costs in relation to the design changes.

(f) Final acceptance by Buyer of the Items or Services provided hereunder shall take place only after complete delivery of all Items or Services in accordance with the delivery schedule specified in the Order, or later as agreed upon by the Parties in writing, and after final inspection of those Items or Services by Buyer and Buyer's customer. Final acceptance shall be contingent upon agreement by Buyer and Buyer's customer that the Items or Services conform to the requirements of the Order. Final acceptance by Buyer is final, except for latent defects, negligent or intentional misrepresentations by Seller that a nonconformity or defect would be or has been cured or did not exist, acceptance induced by false or negligent assurances of Seller, or as otherwise provided in the Order or applicable law. Final acceptance by Buyer of the Items or Services delivered hereunder shall not limit, void, or affect in any way the warranty or indemnity granted by Seller hereunder. Payment alone shall not constitute final acceptance of the Items or Services rendered. The requirements and obligations in this Quality Control and Non-Conformance Article are material terms of the Order.

6. COUNTERFEIT PARTS:

(a) For purpose of this Article, the following definitions apply:

(i) "Authorized Aftermarket Manufacturer" or "AAM" means an entity that fabricates a Part under a contract with, or with the express written authority of, the Original Manufacturer based on the Original Manufacturer's designs, formulas and/or specifications, usually due to the Original Manufacturer's decision to discontinue production.

(ii) "Authorized Distributor" or "AD" means a distributor authorized in writing by an Original Manufacturer to distribute product in accordance with the terms of a contract. The term Franchised Distributor is synonymous with AD.

(iii) "Authorized Reseller" means a reseller that purchases Parts either from the Original Manufacturer or its ADs under a contract and then sells the part to the end user. Some Parts an Authorized Reseller would handle include Commercially Available Off-The-Shelf (COTS) assemblies and commodities and information technology (IT) equipment, hardware, fasteners, and raw materials.

(iv) "Authorized Source" means an Original Manufacturer, AD, AAM, Authorized Reseller, or other supplier approved by Buyer in writing that obtains Parts exclusively from an Original Manufacturer, AD, or AAM.

(v) "Contract Manufacturer" means a company that produces goods under contract for another company under the label or brand name of that company.

(vi) "Counterfeit Part" means (1) an unauthorized copy, imitation, substitute, or modified part that is knowingly misrepresented as a specified genuine part of the Original Manufacturer, or (2) a previously used Electrical, Electronic, and Electromechanical Part that has been modified and is knowingly misrepresented as new without disclosure to Buyer that it has been previously used. Examples of a Counterfeit Part include, but are not limited to, the false identification of grade, serial number, date code, or performance characteristics. NOTE: This definition shall be read so as not to conflict with the definition for "counterfeit electronic part" cited in DFARS 252.246-7007 (Contractor Counterfeit Electronic Part Detection and Avoidance System), where that definition shall govern to the extent that clause applies.

(vii) "Electrical, Electronic, and Electromechanical Part" or "EEE Part" means a component designed and built to perform specific functions using electricity and that is not subject to disassembly without destruction or impairment of design use. Examples of an electrical part include but are not limited to resistors, capacitors, inductors, transformers, and connectors. Examples of an electronic part include but are not limited to active devices, such as monolithic microcircuits, hybrid microcircuits, diodes, and transistors. An electromechanical part is a device that has electrical inputs with mechanical outputs, mechanical inputs with electrical outputs, or some combination of each, including but not limited to motors, synchros, servos, and relays. Although some electromechanical parts may typically be referred to as assemblies, for the purpose of these terms, they are considered to be electromechanical parts.

(viii) "Independent Distributor" means a distributor that purchases parts (typically from excess inventories) from an Original Manufacturer, Contract Manufacturer, or other distributor (authorized or independent) with the intention to resell them back into the market to other Original Manufacturers, Contract Manufacturers, or other distributors. Independent Distributors do not have contracts with the Original Manufacturer.

(ix) "Original Component Manufacturer" or "OCM" means an entity that designs and/or engineers a Part and is entitled to any intellectual property rights to that Part. The Part and/or its packaging is typically identified with the OCM's trademark. OCMs may contract out manufacturing and/or distribution of their Part. Different OCMs may produce or supply Parts for the same application or to a common specification.

(x) "Original Equipment Manufacturer" or "OEM" means a company that manufactures and assembles Parts that it has designed from purchased materials/components and sells those Parts identified and labeled under the company's brand name.

(xi) "Original Manufacturer" means an OCM or OEM.

(xii) "Part" means broadly all parts, including EEE Parts, products, materials, chemicals, assemblies, subassemblies, hardware, and all other components or pieces of components that may go into an Item. A Part can also be an Item.

(b) Authorized Acquisitions.

- (i) Seller shall purchase or acquire all Parts directly from Authorized Sources. SELLER SHALL NOT PURCHASE PARTS FROM OR USE INDEPENDENT DISTRIBUTORS TO SUPPLY PARTS WITHOUT BUYER'S PRIOR WRITTEN CONSENT.
- (ii) Authorized Distributors shall only purchase EEE Parts directly from the Original Manufacturer. Buyer will not accept EEE Parts from other ADs or Independent Distributors without prior written authorization.
- (iii) Contract Manufacturers and Authorized Resellers (including any Contract Manufacturer or Authorized Reseller providing Maintenance Repair and Overhaul (MRO) services) shall only purchase Parts from the Original Manufacturer or its ADs.
- (c) Seller shall implement and control processes appropriate to Seller's organization and the Items to prevent Counterfeit Parts or suspect Counterfeit Parts being used or included in the Items. Seller's Counterfeit Parts prevention processes shall address the following: (i) training of appropriate persons in the awareness and prevention of Counterfeit Parts; (ii) application of a Parts obsolescence monitoring program; (iii) controls for acquiring externally provided Parts from Original Manufacturers or Authorized Sources; (iv) traceability requirements of Parts to the Original Manufacturer and Authorized Source; (v) verification and test methodologies to detect Counterfeit Parts; (vi) monitoring of Counterfeit Parts reporting from external sources; (vii) quarantine and reporting of suspect or detected Counterfeit Parts, including preventing reentry into the supply chain. If Seller provides EEE Parts, Seller shall implement a counterfeit electronic parts detection and avoidance system compliant with the requirements of SAE standard AS5553 or an equivalent generally accepted standard.
- (d) Seller shall (i) not furnish Counterfeit Parts or suspect Counterfeit Parts to Buyer under an Order; (ii) provide to Buyer or use in Items delivered to Buyer only new and authentic Parts, traceable to the Original Manufacturer; (iii) for all purchases, ensure the Part remains unchanged from the Part sold by or acquired from the Original Manufacturer and the certifications show the chain of custody from the Original Manufacturer; (iv) upon request, provide authenticity and traceability records to Buyer; and (v) immediately notify Buyer in writing if Seller cannot provide a Part traceable to the Original Manufacturer. Upon receiving such notification, Buyer reserves the right to terminate the Order at no cost to Buyer and/or to require Seller, at Seller's expense, to assist Buyer with material validation testing and inspection at an independent test facility of Buyer's choice.
- (e) If Seller becomes aware or suspects that it has furnished a Counterfeit Part to Buyer under the Order, Seller shall promptly notify Buyer of such no later than forty-eight (48) hours after discovery. Seller shall not invoice any Counterfeit Part or suspected Counterfeit Part. Any Counterfeit Part or suspected Counterfeit Part that has already been invoiced shall be deducted from the value of the Order. Buyer may, at Buyer's sole option, elect not to return the Counterfeit Part or suspected Counterfeit Part to Seller. If Buyer chooses to return the Item or Part to Seller for Seller to remove the Counterfeit Part or suspected Counterfeit Part, Seller shall provide a certification of destruction through an independent third party chosen by Buyer to prove Seller's destruction of the Counterfeit Part or suspected Counterfeit Part. Seller shall replace, at Seller's own expense, such Counterfeit Part with a Part from an Original Manufacturer or a Buyer-approved Part that conforms to the requirements of the Order. Seller shall be liable for all costs related to (i) the investigation and traceability of any Counterfeit Part or suspected Counterfeit Part; (ii) the replacement of any Counterfeit Part or suspected Counterfeit Part, including costs to return the Part, should Buyer choose to do so; and (iii) any testing or validation necessitated by the installation of authentic Items or components of Items after a Counterfeit Part has been replaced. Buyer's remedies shall not be limited by the Warranty Article in these General Terms and Conditions nor any warranty in the Order and are in addition to any remedies Buyer may have at law, equity, or otherwise under the Order. Seller shall include this Counterfeit Parts Article in all of its lower tier subcontracts.

7. INVOICING, PAYMENT, AND TAXES:

- (a) Unless otherwise provided by Buyer on the face of the Order, terms of payment are net sixty (60) calendar days from the latest of the following: (i) Buyer's receipt of an accurate and approved invoice; (ii) the date the Items or Services are delivered and finally accepted; or (iii) the date provided in the Order for receipt of Items or completion of Services. For interim payments under a financing arrangement, except where Buyer or Buyer's customer requires an audit or other review of a specific payment request, payment terms are net sixty (60) from Buyer's receipt of an accurate and approved invoice. Seller shall notify Buyer in writing within thirty (30) calendar days of the occurrence of any alleged payment disputes. Buyer shall pay Seller the prices set forth on the Order for Items delivered and finally accepted or Services rendered and finally accepted, less any deductions provided in the Order. If Seller does not return the acknowledgement page of the Order and commences performance, Buyer shall only be responsible for payment for the work performed to the extent that the work was required by Buyer, not to exceed the amounts set forth in the Order, and if the Order is cost-reimbursable, only to the extent the costs are allowable under the FAR. All payments shall be made in U.S. Dollars with no adjustments for currency exchange rates. The Parties shall consider the invoices paid on the date the check is postmarked and mailed to Seller. For invoices subject to a prompt payment discount, the discount period will be computed from the date of receipt of a correct invoice to the date Buyer issues a check.
- (b) Seller shall issue a separate invoice in English for each shipment or each billing period. Seller shall not invoice Buyer more than ninety (90) calendar days after Seller is permitted to issue an invoice. Seller shall not backdate any invoices. Buyer is not obligated to pay any invoice Buyer receives after such ninety (90) day period, and Seller waives all rights and remedies related to late invoices and any claim thereto. Unless otherwise instructed by Buyer, each invoice shall include: (i) Buyer Order number and line number; (ii) Buyer line description (as referenced on the Order); (iii) the unit price and total price; (iv) Seller's invoice number and date; (v) the payment terms; and (vi) a description of the work performed. Upon Buyer's request, Seller shall provide a reconciliation of all invoices submitted to Buyer.
- (c) Each payment made shall be subject to a reduction for any amounts found by Buyer, Buyer's customer, or Seller not to have been properly payable, including any overpayments. Seller shall promptly notify Buyer of any overpayments and remit the overpayment amount to Buyer along with a description of the overpayment. To the extent permitted by applicable law, Buyer, and any affiliate or subsidiary of Buyer, may withhold, deduct, or setoff all money due, or which may become due, from Buyer arising out of Seller's performance under the Order or any other transaction Buyer and its affiliates or subsidiaries may have with Seller. Nothing contained herein shall be interpreted to mean that Buyer is required to pay any amount that Buyer disputes.
- (d) Unless otherwise approved by Buyer in writing, the prices for the Items and Services in the Order include and Seller shall be responsible for the payment of any applicable federal, state, and local taxes, duties, tariffs, or other similar fees (collectively "taxes") imposed by any government, unless Seller obtains an applicable exemption. Seller represents that the price does not include any taxes, impositions, charges, or exactions for which it is eligible to obtain or has obtained a valid exemption certificate or other evidence of exemption. Seller shall only include taxes on an invoice that Buyer has preapproved in the Order and shall itemize such taxes separately on Seller's invoice.
- (e) No subcontract placed under the Order by Seller shall provide for payment on a cost-plus-a-percentage-of-cost basis. Any fee payable under a cost-reimbursement subcontract shall not exceed the fee limitations in FAR 15.404-4(c)(4)(i).
- (f) If Seller, its subcontractor, or prospective subcontractor at any tier (i) claims an exception to a requirement to submit cost or pricing data and such exception is invalid, or (ii) violates any applicable laws, rules, regulations, ordinances, or the Order, and, as a result of that failure, (1) Buyer's customer reduces Buyer's contract price or fee, (2) Buyer's costs are determined to be unallowable, (3) any fines, penalties, withholdings, or interest are assessed on Buyer, or (4) Buyer incurs any other costs or damages, then Buyer may (A) make a reduction of the corresponding amounts (in whole or in part) plus any other costs incurred including attorneys' fees in either the price of the Order or any other contract with Seller, or (B) recover from Seller an amount equal to the reduction plus any other costs incurred including attorney's fees. Additionally, upon occurrence of any of the circumstances above, Seller shall be liable and shall pay Buyer at the time any overpayment is repaid: (I) simple interest on the amount of such overpayment to be computed from the date(s) of overpayment to Seller to the date Buyer is repaid by Seller at the applicable underpayment rate

effective for each quarter prescribed by the Secretary of the Treasury under 26 U.S. Code (U.S.C.) § 6621(a)(2); and (II) if Seller knowingly submitted cost or pricing data which were incomplete, inaccurate, or non-current, a penalty equal to the amount of the overpayment.

(g) **FOR FLEXIBLY PRICED / COST-TYPE ORDERS ONLY:** Buyer shall not be obligated to pay Seller for amounts in excess of the funded value of the Order as set forth on the face of the Order or any duly authorized modifications ("Funded Value"). If at any time Seller has reason to believe that the costs that will accrue in performing the Order in the next succeeding sixty (60) calendar days, if added to all other costs previously accrued, will exceed seventy-five percent (75%) of the Funded Value, Seller shall immediately notify Buyer to that effect and shall provide a current estimate for completion. If the estimate for completion is greater than the Funded Value, then such notification also shall contain the costs to date, estimated costs to completion, and total costs, together with supporting reasons and documentation. Seller is not authorized to incur costs in excess of the Funded Value until Buyer notifies Seller in writing that the Funded Value has been increased. If, after Seller's notification, additional funds are not allotted to the Funded Value within sixty (60) calendar days, Buyer may terminate the Order in accordance with the Termination for Convenience Article.

8. CHANGES:

(a) Buyer may, at any time and without notice to third parties, unilaterally direct changes in writing for: (i) Specifications; (ii) method of shipment or packing; (iii) time or place of delivery, inspection, acceptance, or performance; (iv) the quantity of Items ordered or Services to be performed; (v) the statement of work; (vi) method or manner of performance; (vii) any property, facilities, equipment, or materials to be provided by Buyer under the Order; and (viii) the terms and conditions of the Order required to meet Buyer's obligations under the Buyer's customer contract.

(b) During performance of the Order, Seller shall not make any changes in the Services to be performed or in the design or manufacturing of Items to be furnished by Seller under the Order, including any changes to the process, manufacturing location, or use of suppliers and subcontractors, without advance notification to and written approval of the Buyer's Procurement Representative. Only the Buyer's Procurement Representative has authority on behalf of Buyer to make changes to the Order, which shall be in writing. Items or Services that change without prior notification and consent shall be deemed nonconforming Items or Services under the Order. The issuance of information, advice, approvals, or instructions by Buyer's technical personnel shall be deemed expressions of personal opinion only and shall not affect the Parties' rights and obligations hereunder, unless included in a written change order expressly stating that it constitutes an amendment to the Order and signed by the Buyer's Procurement Representative. If Seller considers that Buyer's conduct constitutes a change, Seller shall notify Buyer immediately in writing as to the nature of such conduct and its effect upon Seller's performance.

(c) If any written change causes an increase or decrease in the estimated costs or the time required for performance of the Order, Seller shall promptly notify the Buyer's Procurement Representative and assert its request for equitable adjustment (REA) in writing within thirty (30) calendar days after the written change is ordered or within such extension as Buyer may grant in writing. Buyer may, in its sole discretion, consider any REA regardless of when asserted, except that Buyer will not consider or grant any REA after final payment to Seller. Nothing in this Article shall be deemed to constitute acceptance by Buyer of the validity of an REA or any part thereof. If Buyer approves an REA, the Parties may modify the Order in writing to adjust the Order price, delivery schedule, and/or other terms as appropriate. Any equitable adjustment in price to which Seller may be entitled as a result of an increase in the quantity of Items or Services ordered shall not exceed the Funded Value (for flexibly priced) or unit price established for such Items or Services herein. or limitation relating to boom collapse or overload deleted; and confirmation, if Umbrella/Excess limits are required to meet limit requirements, that Seller's Umbrella/Excess Liability policies shall provide coverage over Riggers Liability. Alternatively, such coverage may be provided under Seller's property policy.

(c) Waiver of Subrogation. To the fullest extent allowed by law, Seller shall waive and shall require its insurers to endorse all required insurance policies to waive any right of recovery under subrogation or otherwise in favor of Buyer and its successors and assigns as their interests may appear, and each of their respective directors, officers, customers, agents, and employees for losses arising from Seller's Services or Items under this Order. Waiver of subrogation endorsements MUST be attached to the Certificate of Insurance.

(d) Additional Insured. Except for WC, EL, Technology Errors & Omissions, Professional Liability, Motor Truck Cargo, and Crime/Fidelity insurance, Seller shall include Buyer and its successors and assigns as their interests may appear, and each of their respective directors, officers, customers, employees, and agents as Additional Insureds on a primary and non-contributory basis under each of Seller's policies with respect to Seller's Services, operations, and completed operations, including claims caused, in whole or in part, by Seller's Services, Items, or operations. Seller's CGL Additional Insured endorsements providing coverage under the Order shall be at least as broad as ISO CG 20 10 (for ongoing operations) and CG 20 37 (for products/completed operations) or equivalent forms. The Additional Insured and Primary & Non-contributory basis endorsements MUST be attached to the Certificate of Insurance. For policies where additional insured coverage is required, policies shall include severability of interest/separation of insureds provisions and shall not contain any cross-suit liability exclusions.

(e) Certificate of Insurance. Seller shall provide to Buyer, within fifteen (15) calendar days of Buyer's issuance of an Order and prior to the start of any work, a Certificate of Insurance (COI) evidencing the coverages, limits, self-insured retentions, notice of cancellation, and provisions specified in this Article and thereafter upon the renewal of any of the policies including copies of endorsements adding Buyer and its successors and assigns as their interests may appear, and each of their respective directors, officers, customers, agents, and employees as Additional Insureds on a primary and non-contributory basis and granting waivers of subrogation. The COIs shall be completed and signed by a person authorized by the insurer or Seller to bind coverage on the insurer's or Seller's behalf and must name Buyer as the certificate holder. Seller shall also provide Buyer such copies of COIs and required endorsements within ten (10) business days of policy expiration/renewal and upon Buyer's written request.

(f) General Requirements. Seller or Seller's insurers shall give Buyer a minimum of thirty (30) calendar days' written notice prior to any suspension, non-renewal, cancellation (except ten (10) calendar days for non-payment of premium), or any changes to the policy whereby the policy no longer meets the insurance requirements in the Order. Failure to do so shall constitute a material breach of the Order. In the event Seller fails to secure and continuously maintain the insurance coverage required under the Order, Buyer may charge Seller, and Seller shall pay Buyer, (i) Buyer's actual expenses incurred in purchasing similar protection, and (ii) the value or amount of any claims, actions, damages, liabilities, costs, and expenses paid by Buyer which would not have been paid by Buyer if Seller had complied with the requirements of this Article. None of the requirements contained in this Article, including but not limited to requirements relating to types and minimum limits of coverage, are intended to and shall not in any manner limit, qualify, or quantify the liabilities and obligations assumed by Seller under the Order or as otherwise provided by law. Seller's purchase and maintenance of the insurance described in this Article shall not release Seller from its respective obligations or liabilities in connection with the Order. Furthermore, Seller is responsible for any losses, claims, and incidental costs arising out of the Services which exceed the limits of liability or which may be outside the coverage required in this Article. No provision of the Order shall impose on Buyer any duty or obligation to verify the existence or adequacy of the insurance coverage maintained by Seller and/or Seller's subcontractors. Any failure on the part of Buyer to pursue or obtain the evidence of insurance required by the Order from Seller or any other party and/or failure of Buyer to point out any non-compliance of such evidence of insurance shall not constitute a waiver of any of the insurance required under the Order. Buyer does not warrant that any required limits may be adequate to protect Seller's interests. Seller, at its own cost, may purchase any additional insurance it believes necessary to protect its interests. Seller is required to fully fund losses within its deductibles, self-insured retentions, and self-insured programs, without contribution from Buyer. Seller's required insurance coverage shall be primary insurance, and any insurance, retentions, and self-insurance maintained by Additional Insureds shall be excess and non-contributory with Seller's insurance.

18. TERMINATION FOR CONVENIENCE:

(a) Fixed Price Orders.

(i) At any time, Buyer may, in its sole discretion and by written notice, direct Seller to terminate work under the Order, in whole or in part. In such event, Buyer shall have all rights and obligations accruing to it either at law or in equity, including Buyer's right to title and possession of any of the Items and Services paid for by Buyer. Upon notice of termination, Buyer may take immediate possession of all work so performed.

(ii) Upon notice of termination, Seller shall immediately stop work and limit costs incurred on the terminated work. In the event Buyer partially terminates the Order, Seller shall continue the performance of the Order to the extent not canceled.

(iii) Upon notice of termination for convenience, Seller shall submit a settlement proposal to Buyer within sixty (60) calendar days (unless otherwise extended in writing) with full supporting documentation for all costs claimed. Buyer, after deducting any amounts previously paid, shall reimburse Seller for the actual, reasonable, substantiated, and allowable costs of the work. The total amount to be paid by Buyer for the work shall be determined by Buyer and shall not exceed the value of the Order. Payment for completed Items delivered and accepted by Buyer shall be at the price set forth in the Order.

(b) Flexibly Priced / Cost-Type Orders. Buyer may terminate the Order in accordance with FAR 52.249-6, Termination (Cost-Reimbursement), substituting the language in accordance with the information listed in Section II (FAR, DFARS, and NSF Clauses). Within sixty (60) calendar days of receiving such termination notice, Seller shall submit its settlement proposal to Buyer's Procurement Representative with full supporting documentation for all costs claimed. As required by Buyer or Buyer's customer, audits and examinations of records for such settlement proposal may be performed by Buyer, Buyer's customer, or an independent certified public accounting firm, mutually acceptable to the Parties. Seller agrees to fully cooperate with any such audit.

19. TERMINATION FOR DEFAULT:

(a) Buyer may terminate the Order for default, in whole or in part, by written notice to Seller if: (i) Seller fails to make delivery of the Items or perform the Services within the time specified in the Order; (ii) Seller fails to perform any of the other obligations of the Order, or fails to make progress, so as to endanger performance of the Order; (iii) it is found that gratuities (in the form of entertainment, gifts, travel or anything of value) or kickbacks were offered or given by Seller, or by any agent or representative of Seller, to any employee or agent of Buyer; (iv) Seller is sanctioned, suspended, or debarred by the Government; (v) it is found that Seller has a potential, actual, or apparent personal or organizational conflict of interest related to or arising out of its performance of the Order and Buyer determines that such conflict cannot be adequately avoided or mitigated; or (vi) Seller fails to agree upon any deletion, amendment, or addition to the Order that is required by statute, executive order, or applicable regulation, or results from a modification to Buyer's Government Contract by Buyer's customer. Upon written notice by Buyer, Seller shall have five (5) calendar days to cure such deficiency, unless Buyer extends the cure period in writing.

(b) Seller shall promptly notify Buyer if Seller: (i) becomes insolvent or makes a general assignment for the benefit of creditors; or (ii) files a petition or application or commences any proceeding under any bankruptcy or similar statute or has a petition or application filed or any such proceeding commenced against it. In such event or if Buyer reasonably believes Seller could likely become insolvent, Buyer may determine Seller's financial condition endangers completion of performance and may

require Seller to provide financial assurance (e.g., performance guarantee), as Buyer, in its sole discretion, deems necessary. Seller's failure to remedy any insolvency, assignment, or petition or to provide financial assurance upon seven (7) calendar days written notice shall constitute a default under the Order. Buyer's rights and remedies in this Article are in addition to any other rights and remedies provided by law or equity under the Order.

(c) After receipt of notice of termination for default, Seller shall stop work under the Order on the date and to the extent specified in the notice of termination for default.

(d) Buyer may require Seller to transfer title and deliver to Buyer, in the manner and to the extent directed by Buyer, any partially completed Items and any raw material, parts, Tools, dies, jigs, fixtures, equipment, plans, drawings, Services, and information ("Materials") that Seller has produced or acquired for the performance of the Order. Seller further agrees to protect and preserve property in the possession of Seller in which Buyer has an interest. Except for situations where Seller is in violation of the U.S. Foreign Corrupt Practices Act as referenced in Article 27(f) (Foreign Corrupt Practices Act): (i) payment for completed Items delivered and accepted by Buyer shall be at the Order price; and (ii) payment for unfinished Items or Services, which have been delivered and accepted by Buyer and for the protection and preservation of property, shall be at a price determined in the same manner as provided in the Termination for Convenience Article, except that Seller shall not be entitled to profit.

(e) If Seller is terminated for default pursuant to this Article, Seller shall be liable to Buyer for any excess repurchase costs incurred in acquiring goods and/or services similar to those terminated for default, and for any other damages, whether or not Buyer exercises its rights of repurchase.

20. CHANGE OF CONTROL: For the purposes of this Change of Control Article, "Change of Control" means (i) the sale, conveyance, transfer, distribution, lease, assignment, license, or other disposition of all or substantially all of Seller's assets, (ii) any consolidation or merger of Seller or its controlling affiliates, any dissolution of Seller or its controlling affiliates, or any reorganization of one or more of Seller or its controlling affiliates; or (iii) any sale, transfer, issuance, or disposition of any equity securities or securities or instruments convertible or exchangeable for equity securities (collectively, "securities") of Seller or its controlling affiliates in which the holders of all of the securities that may be entitled to vote for the election of any member of a board of directors or similar governing body of Seller or such controlling affiliate immediately before such transaction(s) hold less than fifty percent (50%) of the securities that may be entitled to vote for the election of any such member in such entity immediately following such transaction(s). Seller shall notify Buyer in writing of any Change of Control no later than seven (7) calendar days prior to the effective date of the Change of Control.

21. INDEMNIFICATION:

(a) Seller shall defend, indemnify, and hold harmless Buyer, Buyer's customers, insurers, and their officers, directors, customers, agents, employees, successors, and assigns against any and all claims, actions, awards, liabilities, damages, losses, and expenses, including attorneys' fees, expert fees, and court costs, arising from, relating to, or caused by: (i) Seller's breach of any warranty contained in the Order; (ii) any Items or Services; (iii) any act or omission of Seller or any of Seller's agents, subcontractors, employees, or anyone acting on behalf of Seller; or (iv) Seller's performance hereunder. Seller's obligations hereunder are expanded to include, without limitation, injuries, sickness, diseases (including occupational disease wherever occurring), or death of Seller or Buyer employees.

(b) Except to the extent that the Government assumes liability therefor, Seller shall defend, indemnify, and hold harmless Buyer, its officers, directors, customers, agents, employees, successors, and assigns from all claims, actions, awards (including but not limited to awards based on infringement of patents known at the time of such infringement, exceeding actual damages and/or including attorneys' fees and/or costs and claims based on Generative AI Items or Services delivered by Seller), liabilities, damages, losses, and expenses, including attorneys' fees, expert fees, and court costs, arising out of or relating to the actual or alleged infringement or misappropriation of a third party's patent, copyright, trademark, trade secret, or other intellectual property right. Seller's infringement indemnification obligation does not apply: (i) to the extent the infringement claim arises from Seller's adherence to Buyer's written instructions or direction which involves the use of other than items or merchandise of Seller's origin, design, or selection; or (ii) where Seller's Item has been modified by anyone other than Seller and the infringement or claim of infringement arises as a result of such modification. Seller's infringement indemnification obligation shall be excluded from any limitation of liability.

(c) If the Items or Services become or are likely to become the subject of an infringement claim, then, in addition to defending the claim and paying any damages and attorneys fees as required above, Seller shall, at its option and expense, either: (i) promptly replace or modify the Item or Service, without loss of material functionality or performance, to make it non-infringing; or (ii) promptly procure for Buyer the right to continue using the Items or Services pursuant to the Order. If after using all commercially reasonable efforts Seller fails to provide one of the foregoing remedies within forty-five (45) calendar days of notice of the claim, Buyer shall have the right to terminate the Order with no further liability to Seller, and Seller shall refund to Buyer all amounts paid for the infringing Items or Services.

(d) Buyer may, at Buyer's sole discretion, manage its own defense with all costs and expenses payable by Seller. In the event Seller manages the defense, all settlements shall require Buyer's prior written approval. Seller shall regularly update Buyer on the status of the defense and settlement, including providing copies of documents and materials associated with the defense and settlement. Seller agrees to pay or reimburse all costs that Buyer may incur in enforcing Seller's indemnification obligations, including attorneys' fees.

22. LIENS AND ENCUMBRANCES: Seller shall keep its work, equipment, Materials, all Items supplied hereunder, and Buyer's premises free and clear of all liens, security interests, and encumbrances, including mechanic's liens, in any way arising from performance of the Order by Seller or any of its agents or subcontractors. As a condition of final payment, Seller may be required by Buyer to provide a satisfactory release of liens with reasonable evidence that all services, labor, materials, and equipment have been paid in full. All property belonging to Buyer or Buyer's customer in Seller's custody or possession shall be at Seller's risk from loss or damage.

23. INSPECTION OF RECORDS: Buyer and Buyer's customer, including the Government and regulatory authorities, shall have the right to audit and reproduce Seller's records in instances, including but not limited to: (i) in the event of cancellation, termination, or default; (ii) in connection with any equitable adjustment request; (iii) to properly reflect all costs claimed to have been incurred or anticipated to be incurred directly or indirectly in performance of the Order; (iv) where the terms of the Order or applicable law, regulation, or standard entitle Buyer and/or Buyer's customer to audit Seller's records or facilities, including the records or facilities of Seller's assignees and subcontractors, if any; (v) in connection with internal investigations of alleged violations of applicable law, including but not limited to the U.S. Foreign Corrupt Practices Act; or (vi) any litigation. Seller shall keep reasonably detailed records of all costs of the performance of the Order for a period of no less than six (6) years from the date of final payment or expiration of any Item warranty or support, whichever is later. Seller shall provide Buyer, Buyer's customer, and regulatory authorities access to all applicable records and all facilities associated with the Order. Seller shall flow this requirement down to its sub-tier suppliers and subcontractors as a condition of the Order. Should an inspection reveal that Seller has overcharged Buyer, whether intentionally or inadvertently, then Buyer shall be entitled to a refund in the amount of the overcharge, plus ten percent (10%) of the overcharge. In the event of an overcharge in excess of five percent (5%) of the amounts actually due Seller hereunder, Seller shall reimburse Buyer for the reasonable cost of the inspection.

24. OFFSETS AND INDUSTRIAL PARTICIPATION: When Buyer has identified an offset obligation directly related to the performance of the Order in its solicitation or in relation to any properly enacted modification, and Seller's performance of the Order generates offset credits which Buyer could use to satisfy that identified offset obligation, then Buyer shall have the right to such Seller offset credits. Buyer retains the right to assign any such offset or countertrade credits to third parties. Seller shall include this Article, for the benefit of Buyer, in all lower-tier purchase orders and subcontracts awarded in the performance of the Order. Seller shall maintain a record of its purchases under the Order, and Buyer reserves the right to review such record not more often than every six (6) months to determine offset availability. Buyer shall have no rights to any other offset credits that may be generated by Seller in connection with the Order. Seller agrees to provide all reasonably necessary information in such form as may be required to enable Buyer to obtain the aforementioned offset credits.

If Buyer does not request such information from Seller but Seller nonetheless has made or offered or agreed to make fees, commissions, or political contributions that are within the scope of 22 C.F.R. If Seller reasonably believes or suspects that Buyer or any employee or agent of Buyer has behaved improperly or unethically under the Order, Seller shall report such behavior to the Buyer's Procurement Representative or the appropriate Buyer points of contact set forth in Buyer's Supplier Code of Conduct. Seller's employees shall conduct company business with integrity and maintain a high standard of conduct in all business-related activities. Seller shall include this Ethical Standards of Conduct Article in all of its lower tier subcontracts.

Seller shall notify to Buyer in writing of any situation in which an actual OCI or potential for an OCI exists, including without limitation a relationship of any nature which may affect or which may reasonably appear to affect Seller's objectivity or ability to perform the work, as soon as Seller identifies or discovers such situation. Seller's failure to promptly notify Buyer of an actual or potential OCI shall be a material breach of the Order.

(c) As required by FAR Section 3.104 (Procurement Integrity), Seller certifies no person it uses to provide any Item or perform any Service under the Order has any legal restrictions as a result of Government service (e.g., post-employment restrictions related to representing a company to the Government) that would prevent such person from reasonably performing the work contemplated in the Order.

31. ASSIGNMENT AND SUBCONTRACTING:

(a) Seller shall not transfer, novate, assign, or delegate the Order, any interest therein, or any claim hereunder without Buyer's prior written consent. Lack of consent shall not be deemed as a waiver or otherwise relieve Seller of its obligations to comply fully with the requirements hereof. Seller shall promptly notify Buyer in writing of any organizational changes made by Seller, including name, ownership changes, mergers, or acquisitions as set forth in the Change of Control Article, and any changes made to Seller's strategic suppliers or the location or identity of Seller's manufacturers.

(b) Seller shall not subcontract the Order, in whole or in part, without Buyer's prior written authorization. The term "subcontract" as used in this clause means a contract for the purchase of an Item or Service, or any portion of an Item or Service, to fulfill an Order. The term does not include the purchase of standard commercial supplies or raw materials. Seller shall require Buyer-authorized subcontractors to (i) comply with all confidentiality requirements of the Confidentiality Article and any NDA between Buyer and Seller; and (ii) enter into separate NDAs with Buyer consistent with the confidentiality requirements in the Order. Seller shall require all authorized subcontractors to commit to providing conforming performance and Specifications, and Seller shall be and remain responsible to Buyer for (i) the performance of all work, including Services performed or Items provided by Seller's subcontractors, and (ii) the acts and omissions of Seller's subcontractors in connection with the performance or provision of any work under the Order.

32. GOVERNING LAW AND DISPUTES:

(a) Governing Law and Disputes.

(i) The Order, irrespective of the place of performance, shall be governed by, subject to, and construed in accordance with the laws of the State of Florida, without regard to its conflict of law provisions, except that any provision in the Order that is (i) incorporated in full text or by reference from the FAR; (ii) incorporated in full text or by reference from any agency regulation that implements or supplements the FAR; or (iii) substantially based on any such agency regulation or FAR provision, shall be construed and interpreted according to the federal common law of government contracts as enunciated and applied by federal judicial bodies, boards of contracts appeals, and quasi-judicial agencies of the federal government. The provisions of the United Nations Convention on the International Sale of Goods shall not apply to the Order. The Parties agree that any and all disputes, claims, or litigation arising from or related in any way to the Order shall be resolved exclusively by the courts in Brevard County, Florida, and each Party waives any objections against and agrees to submit to the personal jurisdiction of such state and federal courts, including objections or defenses based upon an inconvenient forum. **THE PARTIES HEREBY AGREE TO WAIVE THEIR RIGHTS TO A JURY TRIAL OF ANY CLAIM OR CAUSE OF ACTION BASED UPON OR ARISING OUT OF THE ORDER OR THE SUBJECT MATTER HEREOF.**

(ii) Any disputes under the Order that are not disposed of by mutual agreement of the Parties may be decided in an action at law or in equity. Until final resolution of any dispute hereunder, Seller shall diligently proceed with performance of the Order as directed by Buyer. Buyer and Seller shall each bear its own costs of processing any dispute hereunder. In no event shall Seller acquire any direct claim or direct course of action against the Government, and with respect to any potential claims against the Government, Seller shall follow the procedures outlined in paragraph (b) below.

(iii) The rights and remedies herein reserved to Buyer shall be cumulative and additional to any other or further rights and remedies provided in law or equity. Subject to any specific clauses in the Order, Seller shall be liable for any damages incurred by Buyer as a result of Seller's failure to perform its obligations in the manner required by the Order.

(b) Claim Sponsorship.

(i) As used here, the word “appeal” means an appeal taken under the Contract Disputes Act of 1978 (“CDA”) (41 U.S.C. §§ 7101-7109-1, as amended). Any decision of the Contracting Officer under Buyer’s prime contract which binds Buyer shall bind both Buyer and Seller to the extent that it relates to the Order; provided that: (1) Buyer notifies Seller of such decision with reasonable promptness; (2) Buyer, in its sole discretion, authorizes Seller in writing to appeal such decision in Buyer’s name but at Seller’s expense in accordance with the requirements set forth in this paragraph; and (3) if Buyer should appeal such decision, Buyer, in its sole discretion, offers Seller the opportunity at its own expense to join Buyer in such appeal. Any decision upon such appeal, when final, shall be binding upon Seller. Seller shall keep Buyer informed of any appeal it makes by providing copies of all pertinent documents to Buyer. If Seller is unable to support any part of its claim and it is determined that such inability is attributable to fraud or misinterpretation of fact on the part of Seller, then Seller shall indemnify, defend, and hold harmless Buyer from any and all liability of any kind incurred by or imputed to Buyer under Section 7103(c) (Fraudulent Claims) of the CDA. Nothing in this provision nor any authorization or offer shall be deemed to constitute acceptance or acknowledgement by Buyer of the validity of Seller’s claim or any part thereof, nor be deemed to limit or in any way restrict Buyer from taking any actions, including available remedies, it deems appropriate to protect its own interests.

(ii) Seller claims resulting from Government acts or omissions:

1) In the case of any claims by Seller that the Parties agree result from the acts or omissions of the Government in connection with work performed under an Order, including changes authorized or required under the Buyer’s prime contract, Buyer agrees, after review and determination that such claims are submitted in good faith, to sponsor Seller claims before the Government. Seller shall prosecute such claims in Buyer’s name, in accordance with the terms of the Disputes Clause in the prime contract. Seller shall only submit claims in good faith and in accordance with applicable law and regulation.

2) In the case of any sponsored claim covered by paragraph (ii)(1) above, Seller shall be bound by the procedure and final determinations specified in the Disputes Clause of Buyer’s prime contract, shall not take any other action or actions with respect to any such claims and shall pursue no independent litigation with respect thereto, other than to avail itself of any appellate procedures available under the CDA. Seller shall not be entitled to receive any greater amount from Buyer than Buyer receives from the Government on account of Seller’s claim(s), less any costs incurred by Buyer, and Seller shall accept such amount, if any, as a full accord and satisfaction of all such claims against the Government, and Buyer shall have no further liability or obligation to Seller for such claims.

3) The terms of this provision shall be Seller’s sole and exclusive remedy with regard to claims resulting from the acts or omissions of the Government in connection with an Order, provided however that if for any reason Buyer refuses to sponsor Seller’s claim brought in good faith, or fails to cooperate with Seller in the prosecution of any such claim, Seller reserves its rights with respect to Buyer under the Governing Law and Disputes Article of this Order.

(iii) Government claims alleging Seller responsibility: If the Government makes any claims that are alleged to result directly from Seller’s acts or omissions in connection with work performed under an Order, and those claims are not disposed of by agreement, Seller shall defend such claims at its own cost, in Buyer’s name, and keep Buyer apprised of the status of such claims.

(iv) Cooperation in prosecuting or defending claims: Buyer and Seller shall cooperate fully in prosecuting or defending all claims brought under this Claim Sponsorship Article. Seller shall have full responsibility for preparing and presenting such claims. Buyer shall provide reasonable assistance as requested by Seller to enable Seller to prosecute or defend such claims in Buyer’s name, subject to Seller’s reimbursement of Buyer’s actual, reasonable, out-of-pocket costs and expenses relating to the claim (e.g., travel costs, attorneys’ and consultants’ fees). In its sponsorship of Seller’s claims, Buyer will follow all relevant procedural rules to enable the claim to proceed.

(v) If Seller is unable to support any part of a claim contemplated under this Claim Sponsorship Article and it is determined that Seller’s fraud or misrepresentation of fact caused or contributed to such inability, then Seller shall indemnify, defend, and hold harmless Buyer from any and all liability of any kind incurred by or imputed to Buyer under Section 7103(c) (Fraudulent Claims) of the CDA. Nothing in this Article nor any authorization or offer shall be deemed to constitute Buyer’s acceptance or acknowledgement of the validity of Seller’s claim or any part thereof, nor to limit or in any way restrict Buyer from taking any actions, including available remedies, it deems appropriate to protect its own interests.

33. NOTICES: All notices permitted or required under the Order shall be in writing to the address in the Order, unless otherwise specified, and shall be by personal delivery, a nationally recognized overnight carrier, or certified or registered mail, return receipt requested.

34. RELATIONSHIP OF THE PARTIES:

(a) Seller’s relationship to Buyer in the performance of the Order is that of an independent contractor, and nothing herein contained shall be construed as creating any employer/employee, agency, partnership, joint venture, teaming, or other relationship of any kind. Under no circumstance shall Seller be deemed an agent or representative of Buyer or authorized to commit Buyer in any way.

(b) Buyer shall be solely responsible for all liaison and coordination with Buyer’s customer as it affects the applicable Government Contract, customer contract, the Order, and any related order or agreement. Unless otherwise directed in writing by the Buyer’s Procurement Representative, all documentation requiring submittal to, or action by, the Government or the Contracting Officer shall be routed to the Buyer’s Procurement Representative, unless otherwise permitted by the Order. This Article does not prohibit Seller from communicating with the Government regarding (i) matters Seller is required by law or regulation to communicate to the Government, (ii) fraud, waste, or abuse communicated to a designated investigative or law enforcement representative of a federal department or agency authorized to receive such information, or (iii) any matter for which the Order, including a FAR, DFARS, NFS, or FAA AMS clause included in the Order, provides for Seller’s direct communication to the Government.

35. COOPERATION: Seller agrees to cooperate fully with Buyer in addressing any issue arising under this Order. Seller shall permit Buyer to directly contact Seller’s employees and subtier suppliers as necessary to verify adherence to the terms, conditions, and requirements of this Order. Upon notification of any concerns or potential non-compliance identified by Buyer, Seller shall take immediate corrective action to resolve the issue and ensure compliance. Seller shall provide Buyer with timely updates regarding the status of corrective actions and any measures implemented to prevent recurrence. Failure to cooperate or to take prompt corrective action shall constitute a material breach of this Order.

36. CONFIDENTIALITY: The obligations in this Confidentiality Article apply to the extent the Parties have not executed an NDA applicable to the work under the Order. If the Parties have executed an NDA applicable to the work under the Order, the terms and conditions of the NDA control and take precedence over this Confidentiality Article, except as specified below.

(a) During the course of the Order, Buyer may disclose to Seller certain non-public information or materials relating to Buyer’s products, intellectual property, business, business plans, marketing programs and efforts, customer lists, customer information, financial information, and other confidential information and trade secrets that is identified or labeled as “proprietary” or “confidential” (“Confidential Information”). Confidential Information does not include information that: (i) is or becomes publicly available through no breach by Seller of the Order; (ii) was previously known to Seller prior to the date of disclosure, as evidenced by contemporaneous written records; (iii) was acquired from a third party without any breach of any obligation of confidentiality; or (iv) was independently developed by Seller without reference to Buyer’s Confidential Information.

(b) To the extent Confidential Information is required to be disclosed pursuant to a subpoena or other similar order of any court or government agency, Seller, upon receiving such subpoena or order, shall (i) promptly inform Buyer in writing and provide a copy thereof, (ii) cooperate with Buyer in limiting disclosure of Buyer's Confidential Information, and (iii) shall only disclose that Confidential Information necessary to comply with such subpoena or order. Seller will not use or disclose any Buyer Confidential Information without Buyer's prior written consent, except disclosure to and subsequent uses by Seller's authorized employees or agents (legal counsel, insurers, and similar third parties, excluding third party subcontractors) on a need-to-know basis for performance of the Order, provided that such employees or agents have executed written agreements restricting use or disclosure of such Confidential Information that are at least as restrictive as Seller's obligations under this Confidentiality Article.

(c) Subject to the foregoing nondisclosure and non-use obligations, Seller agrees to use at least the same care and precaution in protecting such Confidential Information as Seller uses to protect its own Confidential Information, and in no event less than reasonable care. Seller acknowledges that due to the unique nature of Buyer's Confidential Information, Buyer will not have an adequate remedy in money or damages in the event of any unauthorized use or disclosure of its Confidential Information. In addition to any other remedies that may be available in law, in equity or otherwise, Buyer shall be entitled to seek injunctive relief to prevent such unauthorized use or disclosure. In any action for equitable relief, the Parties agree to waive any requirement for the posting of a bond or security. On Buyer's written request or upon expiration or termination of the Order for any reason, Seller will promptly return or destroy, at Buyer's option, all originals and copies of Buyer's Confidential Information, including all documents and materials it has received containing such Confidential Information, together with all summaries, records, modifications, adoptions and other documents containing or prepared from Buyer's Confidential Information.

(d) Additionally, notwithstanding anything to the contrary in any NDA, the Parties agree to the following:

(i) Seller may disclose Buyer's Confidential Information to subcontractors, to the extent required to perform the Order, provided that such Subcontractors have undertaken written obligations to protect Buyer's Proprietary Information in a manner at least as protective as the provisions of this Confidentiality Article, and Seller shall be liable for any unauthorized use of Buyer's Confidential Information by such subcontractors.

(ii) Buyer may disclose Seller's Confidential Information to Buyer's customer and the Government as necessary to perform Buyer's customer contract if the disclosure bears the appropriate restrictive legend and proprietary information notice permitted by the applicable Government regulations related to the protection of proprietary information. Seller shall ensure that Seller's Confidential Information complies with all special marking requirements required by applicable Government regulations in order to protect such information disclosed to the Government.

37. NO PUBLICITY: Seller shall not make any media release or other public announcement relating to or referring to the Order without Buyer's prior written consent. Seller shall acquire no right to use, and shall not use or disclose, without Buyer's prior written consent, the terms or existence of the Order or the names, trade names, trademarks, service marks, artwork, designs, or copyrighted materials of Buyer: (a) in any advertising, publicity, press release, customer list, presentation, or promotion; (b) to express or to imply any endorsement by Buyer of Seller or Seller's Items or Services; or (c) in any manner other than expressly in accordance with the Order.

38. NO WAIVER: Buyer's failure to insist upon or enforce strict compliance by Seller with respect to any aspect of the Order shall not be deemed a waiver or relinquishment to any extent of any of Buyer's rights; rather, the same shall remain in full force and effect. Waiver of a right under the Order shall not constitute a waiver of any other right or waiver or default under the Order.

39. SEVERABILITY: If any part, term, or provision of the Order is found to be void, illegal, unenforceable, or in conflict with any law or regulation of the government having jurisdiction over the Order, that part will be enforced to the maximum extent permitted by law and the remainder of the Order will remain in full force. In the event that any part, term, or provision of the Order is found to be void, illegal, unenforceable, or in conflict with law, Seller agrees to negotiate a replacement provision, construed to accomplish its originally intended effect that does not violate such law or regulation.

40. SURVIVABILITY: All of the provisions of the Order shall survive the termination (whether for convenience or default), suspension, or completion of the Order, unless they are clearly intended to apply only during the term of the Order.

41. ELECTRONIC TRANSMISSIONS: The Parties agree that if the Order is transmitted electronically, neither Party shall contest its validity, or any acknowledgment thereof, on the basis that the Order contains an electronic signature.

42. ENTIRE AGREEMENT: The Order, including all exhibits, schedules, and attachments, contains the entire agreement of the Parties, and supersedes any prior negotiations, representations, and course of dealing, whether written or oral, between the Parties with respect to the subject matter hereof. The Order may be amended or supplemented only by a writing that refers explicitly to the Order and is signed by the Buyer's Procurement Representative and Seller.

43. LIMITATION OF LIABILITY: IN NO EVENT SHALL BUYER BE LIABLE TO SELLER OR TO ANY THIRD PARTY FOR ANY INDIRECT, SPECIAL, CONSEQUENTIAL, MULTIPLE OR PUNITIVE DAMAGES ARISING OUT OF OR RELATING TO THE ORDER. IN NO EVENT SHALL THE TOTAL CUMULATIVE LIABILITY OF BUYER IN ANY CAUSE OF ACTION BASED ON CONTRACT, WARRANTY, TORT (INCLUDING NEGLIGENCE OR STRICT LIABILITY) OR OTHERWISE FOR THE PERFORMANCE OR BREACH OF THE ORDER OR ANYTHING DONE IN CONNECTION THEREWITH EXCEED THE ORDER PRICE. NOTWITHSTANDING ANYTHING ELSE IN THE ORDER TO THE CONTRARY, THE STATED MONETARY LIMITATION HEREIN IS THE MAXIMUM LIABILITY BUYER HAS TO SELLER. TO THE EXTENT THAT THIS LIMITATION OF LIABILITY CONFLICTS WITH ANY OTHER PROVISION OF THE ORDER, THE PROVISION SHALL BE REGARDED AS AMENDED TO WHATEVER EXTENT REQUIRED TO MAKE SUCH PROVISION CONSISTENT WITH THIS LIMITATION OF LIABILITY.

SECTION II – FAR, DFARS, AND NFS CLAUSES FOR COMMERCIAL PRODUCTS AND COMMERCIAL SERVICES
APPLICABLE IF THE ORDER IS PLACED UNDER BUYER CONTRACT CONTAINING SUCH CLAUSES

In addition to the clauses of Section I (Articles Applicable to All Orders), the following Federal Acquisition Regulation (“FAR”), Department of Defense FAR Supplement (“DFARS”), and NASA FAR Supplement (“NFS”) clauses (collectively, “USG Clauses”) shall apply to the Order as required by the terms of Buyer’s Government Contract, by operation of law or regulation, or by the terms of the specific clause. These USG Clauses are hereby incorporated by reference, as applicable, and in the manner set forth below, including any parenthetical information regarding applicability and bracketed information regarding modifications to the USG Clauses. For certain USG Clauses, Buyer has provided parenthetical language describing the circumstances in which the USG Clauses apply to the Order. This parenthetical language may not encompass all situations where the USG Clauses apply, and Seller is responsible for confirming whether the USG Clauses are applicable to the Order.

The version of the USG Clauses that applies to this Order will be the version in effect on the date the Order is issued, unless the Buyer’s Government Contract uses a different version. In that case, the version in the Buyer’s Government Contract will apply. The Parties agree that this Section II (FAR, DFARS, and NFS Clauses) will be automatically updated to include any new, revised, or updated USG Clauses or flowdown requirements that are added to the Buyer’s Government Contract and apply to this Order. This automatic update applies to changes made both before and after the date of this Order, and does not require any further action or approval from either Party.
